## Mental Health Ministry

Mental illness is a disorder of the brain that can happen to anyone, and can be caused by a variety of different sources—from genetics to other biological, environmental, and social/cultural factors. It's no one's fault. It's not "weird" or abnormal. But it can be difficult to understand.

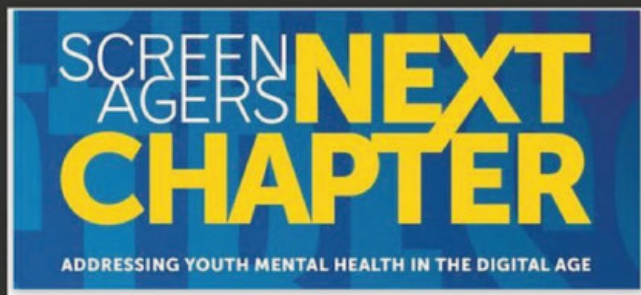

Like most diseases of the body, mental illness has many causes – from genetics to other biological, environmental and social / cultural factors.

# Mary Magdalene

**Tuesday, July 22<sup>nd</sup> from 6:30 - 8:30 PM**  
**@ the Baer's Backyard Pool**

Bring your favorite poolside drink, and enjoy a slice of 7-Up Cake as a lighthearted nod to the seven demons Mary Magdalene was freed from—a reminder of the healing and transformation she experienced through Christ.

Please RSVP to Kati Hook by  
7/20 at 816-309-8308 or on  
GroupMe

Mary Magdalene, came from the seaside town of Magdala, and lived on the shores of the Sea of Galilee—a place where much of Jesus's ministry took place. It was along these waters that she likely first encountered Jesus and chose to follow Him.

So, why a pool party?

Because the Sea of Galilee played such a central role in Mary Magdalene's life and faith journey, we're celebrating by the water, just as she once did. It's a fun and fitting way to honor her connection to Christ and the region that shaped her story.
