First Friday Devotion

Jesus promised "in the excessive mercy of My Heart that Its all-powerful love will grant to all those who receive Holy Communion on nine first Fridays of consecutive months the grace of final repentance; they will not die under

My displeasure or without receiving their sacraments, My divine Heart making Itself their assured refuge at the last moment."

On the First Friday of nine consecutive months a

person must: 1. Attend Holy Mass

2. Receive Communion

3. Go to Confession (Father will hear confessions at 5:30am on First Fridays)

First Saturday Devotion

When Our Lady appeared to Lucia she said:

"Behold, my daughter, my Heart encircled with thorns, with which ungrateful men pierce It at every moment by their blasphemies and ingratitude. Give me consolation, you, at least; and make known on my behalf that I promise to assist at the hour of death, with the graces necessary for salvation, all who on the First Saturday of five consecutive months confess their sins, receive Holy Communion, recite five decades of the Rosary, and keep me company for fifteen minutes meditating on the mysteries of the Rosary, with the purpose of making reparation to my Immaculate Heart."

MISSION APPEALS 2025

Next weekend, August 2nd and 3rd, through the Diocesan Missionary Plan of Cooperation, St. John LaLande will be welcoming Fr. Aloysius Kasoma. Below is more information about his Mission.

My name is Fr. Aloysius Kasoma. I am a Catholic priest from Masaka Diocese in Uganda. My Parish is called St. Agatha's Lwebitakuli Parish. This is my tenth visit to your diocese. I am grateful to Bishop Johnston for kindly allowing me to again come and make an appeal in your diocese for a much-needed project in my parish. That project is the construction of a science laboratory for our high school in Uganda.

St. Agatha's parish is situated in a rural area in southern Uganda. We have about 15,000 people in our parish. Life in Uganda is very different from life in the Midwest. In my rural parish, St. Agatha, we have a formidable task of operating a combined middle and high school called St. Charles Lwanga Senior Secondary School. I am its Chaplain and Principal. That assignment, as well as my duties at the parish, keep me very busy. We have 18 Mission Churches and fifteen primary schools in our parish umbrella where young Catholics are taught up to the eighth grade. To obtain higher education they have to attend our Catholic High School. The school has 660 students – 420 girls and 240 boys. You might wonder about that gender ratio. That will be something we might talk about. The school is primarily a boarding school because students come from long distances to attend. We do not have school buses and during the rainy season, the roads remain covered with water for several weeks. Our school has grades from senior one to senior six. After senior six the students can join the University or College.

The current pressing need for our school is building a two-room science laboratory. One side will be for Chemistry and Physics and the other side will be for Biology and Agriculture. Since 2006, the Government of Uganda made the study of science obligatory for all the students in Senior Secondary School, so each Secondary School must have a well-furnished Science Laboratory which we now do not have. Luckily, the land for it has already been donated and cleared. The lab cannot be extravagant. It must be sturdy and thoughtfully furnished in order to educate multiple grades in various science topics for many years to come. The total cost for the project is \$ 120,000.

For my parishioners, this sum is impossible to amass without aid from brothers and sisters from abroad. My parishioners and students' parents are peasant farmers growing coffee, cotton, bananas, corn and other vegetables. All this is done by hand. There are no tractors or any other farming equipment. Most of what they grow, they consume. Very little of what they grow is sold. In other words, they live from hand to mouth. Cash

is very scarce. Whatever money they receive is used primarily for medical expenses. We do not have health insurance. It is a hard life. Yet they are determined to give their children a better future—something they know an education can offer. The Catholic Church has long been crucial in providing sound religious and academic primary and secondary education in Uganda. I am proud to be a part of that.

I am here to kindly request for your generous donation to support this project so that together we can make a huge positive difference for the lives of the many students who will use this facility.

Thank you for your generosity.

Mental Health Ministry

With emphasis on Black, Indigenous and people of color (BIPOC), this month's awareness highlights the impact of mental health in the BIPOC communities. Fear of judgment, cultural beliefs, generational differences, and lack of access to resources often prevent people of color from addressing struggles openly and seeking the help they need.

- Many BIPOC individuals face internal and external judgment regarding their mental health.
- Whether it's cultural beliefs, fear of judgment, or lack of access to information and resources, stigma can manifest itself in many ways. It can look different based on culture, family values, and community views.
- Breaking the silence around mental health is crucial for healing.
- Open and honest conversations, while respecting cultural beliefs, can break down barriers and prioritize mental health.

We encourage everyone to take steps towards improving mental health in all our communities. By sharing stories, listening to others, and supporting one another, we can create a more inclusive and understanding environment where mental health is prioritized for everyone.
