Introducing Families to the Adventures of Scouting

Cub Scouting is the foundation of our organization. It is designed for full families, both boys and girls, in Kindergarten thru 5th grade. The full family involvement is different than you would get from a sports program, as we encourage the parents of our Scouts to be involved in both the planning and the implantation of our program.

What does a youth get from the Scout Program:

- ♦ Camping
- ♦ Hiking
- ♦ Sports
- ♦ Citizenship
- ♦ New discoveries
- ♦ New friends
- ♦ STEM activities
- ♦ New adventures

Rocket Into Scouting!

Join Cub Scouts during the month of September and receive a FREE model rocket. We encourage our Scouts to try new things and learn along the way—have your new Scout build rocket with their new pack!

**The contents of this flier are not associated with Bulter school district or education institution. Content of this flier is property of Moraine Trails Council. Questions contact 724-287-6791

**Any new Scouter who joins in
September also earns free
entry to our Fall Family
Camp, October 14th at Camp
Bucoco!**
