The Twentieth Sunday in Ordinary Time Luke 12:49-53

On your ride home last week your thoughts were directed towards the things you value as treasures. This week we get the wise and accurate explanation of why it is important to pick the right things to treasure. People think how they think and do what they do because “where your treasure is, there also will your heart be.” Luke 12:25. People who treasure money think about how if they have enough and how to get more. People who treasure things spend time amassing more cars, clothes, jewelry etc.. People who treasure Jesus LOVE to spend time with Him at Mass, in the Adoration Chapel or serving others. Whether it be material or spiritual “much will be required of the person entrusted with much, and still more will be demanded of the person entrusted with more.” Luke 12:48 It’s not too late! If there are areas in your life where the word horde might be appropriate, change your focus and use what you have amassed (time, treasure or talent) to serve the Lord. After all if you think about it He gave it to you in the first place! To God be the Glory!!
