Gospel Summary

Mark 6: 7-13

In today's Gospel, Jesus sends the Twelve out two by two to continue the work he had begun. He instructs them to travel light and to rely on the hospitality of others, but to not stay where they are not welcome. The Twelve go forth to drive out demons, to anoint many who are sick, and to cure them.

Reflection for Families

Jesus instructs the Twelve to travel light. If you were asked to name those things you truly need in order to live, what would you name and why? Now consider all of the things you have – home, car, property, furniture, clothing, and such. Which of those things are truly essential? Take time to pray about Jesus' call to travel light. What do you need to get rid of? What do you need in order to truly live?

Bring the Gospel Into Your Family

Invite your family to enter into the discussion of what it means to travel light. Create a two – column poster or chart with the headings *Have to Have* and

Could Do Without. Begin by inviting family members to name the things they feel they have to have in order to live. Write their suggestions in the *Have to Have* column. Then invite family members to name things they have that they feel they could do without. Write their suggestions in the *Could Do Without* column.

Compare the lists. How are they alike? How are they different? What is the message of today's Gospel and of this activity for your family?

A Stewardship Moment

The Letter to the Ephesians relates to us that God, the Father, has established a divine plan to bring all of creation to Christ and that He has blessed us with the divine gifts to help implement that plan.

Christian stewards know what their gifts are and remain committed to using them in the service of the Lord. Do we know what our gifts are? Do we believe that God has given us these gifts? Are we committed to using our gifts to serve the Lord?

"He instructed them to take nothing for the journey but a walking stick – no food, no sack, no money in their belts."

Mark 6:8

Imagine taking nothing but a stick when you go on a trip. The Apostles must have really trusted in God's providential care. Think of all the material things "we can't live without" in today's world. We make our life's journey more difficult because of all the material baggage that we drag along. Putting God first in everything and putting our money and possessions second gives us freedom because we don't become "slaves" to wanting to acquire more things.
