## FINANCIAL STATEMENTS TO PARISHIONERS

Statements of financial contributions to Saint Mary Parish for 2017 will be mailed to parishioners by the end of the month. The statements reflect contributions made to the Parish through the weekly offertory envelopes, the direct deposit method, or by checks. These annual statements are important because::

1. **The financial stewardship of our parishioners ought to be acknowledged.** Our finances are sustained through the generous stewardship of our parishioners only. Contrary to what some believe, St. Mary's receives no subsidies or grants from the Diocese or outside agencies. All our expenses, from utilities to religious education for children, to health insurance for our employees, are met through the generosity of our parishioners. We are grateful to all who call Saint Mary's their parish, and do their part to sustain it.
2. **It is important that our accounting be accurate and correct.** Everyone who contributes to the parish ought to be able to rest assured that their contribution is accurately accounted for in a timely manner. If there is a discrepancy between what you believe you have contributed in a verifiable way (envelopes, direct-deposit), and what we have recorded, we want to know about it and rectify the discrepancy.
3. **The IRS and tax deductions for charitable contributions.** Regulations regarding deductions for church and charitable contributions have changed over the past few years. Revised IRS regulations mandate organizations to indicate contributions on their own letterhead. Cancelled checks are no longer acceptable proof of contribution, according to new guidelines. The financial statement mailed to you complies with IRS guidelines.

We realize that some parishioners prefer to simply place an anonymous cash gift in the offertory basket. We certainly respect their decision to do so and deeply appreciate their goodness to the parish. However, such gifts obviously cannot be acknowledged nor can statements be provided for tax purposes. For the sake of accuracy, transparency, and accountability, I would encourage everyone to consider using either the envelope or direct-deposit methods.

## Light of the World

### YOU'RE INVITED TO THE LIGHT OF THE WORLD KERYGMATIC RETREAT

Ever wonder what's the purpose of your life? What gives your life meaning? Can we really know God's plan for our lives? If you've asked yourself these questions and others like it, you are not alone. During the *Light of the World* Retreat, we seek answers to these questions as we experience Jesus as Lord of our lives.

Since October, 2014, we have had over 150 parishioners from St. Mary's participate in one of our LOTW retreats and over 10 small faith sharing groups continue to go strong. The goal of the retreat is to provide every retreatant with the opportunity to have a personal encounter with Jesus Christ through the power of the Holy Spirit.

**NEXT RETREAT: MARCH 2-5, 2018**
