## FAITH DIRECT

Dear Brothers and Sisters,  
Your generous gifts to St. Mark are greatly appreciated, and I want to thank you for your faithful support! As we look forward to fall and all the exciting ministry opportunities ahead, I'd like to ask you to consider taking a next step in your stewardship efforts.

You may have missed an opportunity to give because you weren't able to attend Mass. Perhaps you mailed it or remembered to include it on a future offering, but I'd like to propose a safer, simpler solution that allows you to remain consistent in your giving while helping us be more accurate in our budget forecasting as well.

We partner with Faith Direct for a secure eGiving option that lets you support the ministries you care about, even if you can't attend Mass. When you choose a recurring monthly gift, you provide our parish consistent support that lets us better plan and budget for programs that allow us to share God's love throughout our community.

Please prayerfully consider eGiving as a way for you to make sure that your faithful support will always make a difference for our parish community and ministries. It is easy to do. Enroll today by using the QR Code below. You can also call Faith Direct toll-free at 866-507-8757 to speak with someone directly.

For those already enrolled, I want to thank you for your participation in the Faith Direct electronic giving program!

Thank you for being part of St. Mark.  
In Christ,  
Fr. Bob

## A MESSAGE FROM FR. BOB

05

Hello All,

Some of you have told me that you are happy that I have come to St. Mark parish. Coming here was my first choice. However, I do believe the Holy Spirit puts us where we are needed. The Holy Spirit led me here and the Holy Spirit has led you here as well. Some have said to me, that the parish needs a shot in the arm and are hoping that I can lead you all to a more vibrant parish life experience. Here are a few thoughts that I have on the topic and what I hope to accomplish here at St. Mark's Parish with your help.

Sometimes we can get comfortable and begin to think this is the way we have always done it. When we think this way in often leads to complacency, in my opinion. As your pastor, I am not just a priest but also the leader of an organization that requires management and leadership skills. Part of leading an organization is holding people accountable for excellence, which often involves difficult, uncomfortable, and loving conversations.

Coming this November, I will begin scheduling regular staff meetings, and meetings with all of you who volunteer and serve the parish in various ministries. We will discuss if we are truly serving the parish's needs or are just filling a slot. In order to make St. Mark parish the most dynamic parish in Boynton Beach we need to take some time to reevaluate ourselves and put into place the things that need improvement and to celebrate what we are already doing that is great.

I hope we can support one another as I go through the process of Leading St. Mark parish to become amazing. I know it can be hard and will take time. Change and self-evaluations can be difficult and challenging. It may involve hard conversations, suffering, opposition, criticism, but if we try with great humility we can and will be successful. Trying to avoid tough conversations and actions will only keep us from becoming an amazing parish and only lead to mediocrity.

I look forward to this journey as we pray together, discern together and implement the changes we need. When we do, this parish will truly be a breath of fresh air for Boynton Beach.

God Bless You,  
Fr. Bob

Hola a todos,

Algunos de ustedes me han dicho que están contentos de que haya venido a la parroquia de San Marcos. Venir aquí fue mi primera opción. Sin embargo, sí creo que el Espíritu Santo nos pone donde se nos necesita. El Espíritu Santo me trajo aquí y el Espíritu Santo te ha traído aquí también. Algunos me han dicho que la parroquia necesita un empujón y esperan que pueda guiarlos a todos a una experiencia de vida parroquial más vibrante. Aquí hay algunos pensamientos que tengo sobre el tema y lo que espero lograr aquí en la parroquia San Marcos con su ayuda.

A veces podemos sentirnos cómodos y comenzar a pensar que esta es la forma en que siempre lo hemos hecho. Cuando pensamos de esta manera, a menudo lleva a la autocomplacencia, en mi opinión. Como su párroco, no soy solo un sacerdote, sino también el líder de una organización que requiere habilidades de gestión y liderazgo. Parte de liderar una organización es responsabilizar a las personas por la excelencia, lo que a menudo implica conversaciones difíciles, incómodas y amorosas.

A partir de noviembre, comenzaré a programar reuniones regulares del personal y reuniones con todos ustedes que son voluntarios y sirven a la parroquia en varios ministerios. Discutiremos si realmente estamos sirviendo a las necesidades de la parroquia o si solo estamos llenando un espacio. Para hacer de la parroquia de San Marcos la parroquia más dinámica de Boynton Beach, necesitamos tomarnos un tiempo para reevaluarnos y poner en marcha las cosas que necesitan mejorar y celebrar lo que ya estamos haciendo que es excelente.

Espero que podamos apoyarnos unos a otros a medida que avanzo en el proceso de liderar la parroquia de San Marcos para que se vuelva increíble.. Sé que puede ser difícil y llevará tiempo. El cambio y las autoevaluaciones pueden ser difíciles y desafiantes. Puede implicar conversaciones duras, sufrimiento, oposición, crítica, pero si lo intentamos con gran humildad, podemos y tendremos éxito. Tratar de evitar conversaciones y acciones difíciles solo evitará que nos convirtamos en una parroquia increíble y solo nos llevará a la mediocridad.

Espero este viaje mientras oramos juntos, discernimos juntos e implementamos los cambios que necesitamos. Cuando lo hagamos, esta parroquia será verdaderamente un soplo de aire fresco para Boynton Beach.

Dios te bendiga,  
Padre Bob

# COMING SOON WE REMEMBER MONTH

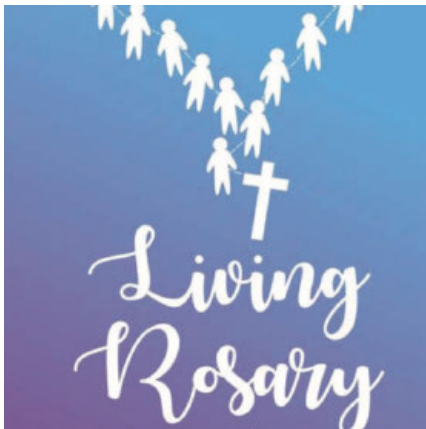

Once again, your parish Bereavement Ministers will be providing a special way for remembering our loved ones who have passed on to eternal life. One of the ways is by hanging banners in the Narthex containing all the names of those deceased whose funeral masses were celebrated during this past year (from November 1, 2021-October 31, 2022).

Another, is the opportunity of having on display in the Narthex a small or medium sized photo of your loved one whom you would like to have remembered during the entire month of November; this may be a significant person who entered eternity years ago.

Please place your loved ones name, your relationship, and telephone number on the back of the frame. Please leave it on the counter in the ministry room (opposite the priests' vesting room). You will be asked to pick up your photo at the end of November.
