

1st Grade Summer Work and Supply List

Math: All scholars are responsible for logging into IXL and completing 15 minutes of math each week. Practicing on IXL will keep the scholars' math skills strong over the summer.

Reading: Scholars must make time for reading every day. The summer is a great time to explore your local library and foster a love of reading in your child. Have your child pick out books that interest them and read them together several times. Before reading, look at the cover and talk about what might be inside. As you read, encourage your child to read words or letter sounds that they recognize. After reading, ask your child if they can tell you what happened at the beginning, middle, and end of the story. The following authors have written numerous books that first graders enjoy: Eric Carle, Bill Martin Jr., Kevin Henkes, Arnold Lobel, Tomie dePaola, Cynthia Rylant.

Scholars should also make sure to review kindergarten tricky words (sight words)

one	two	three	a	and	are	why	look	I
little	down	out	of	here	all	from	was	when
to	where	no	what	so	which	once	said	were
there	my	by	is	who	some	word	says	here
