

6th Grade Summer Work

SHSS School Year 2023-2024

6th grade scholars will read one summer reading text, complete 60 minutes per week of Math IXL, and complete 30 minutes per week of ELA IXL. All scholar work is monitored by the Math and ELA teachers.

Text:

Scholars have a choice between these two texts:

- a. [Hold Fast](#) by Blue Balliett
- b. [Just Under the Clouds](#) by Melissa Sarno

Both books were chosen by middle school scholars because they deal with the themes of poverty and housing insecurity.

Along with reading the text, the scholars are asking that grade 6 brings full size shampoo and/or conditioner the first week of school. The donations will be gathered and brought to Rosie's Place.

IXL:

ELA - 30 minutes per week (total of 360 minutes).

Each scholar receives a personal list of IXL skills to work on.

Math - 60 minutes per week (total of 720 minutes).

Each scholar should work on IXL Skill plans. Any new scholars without a skill plan should work on grade level material.

Supply List for September

Supplies:

- 1 one subject **graphing** notebook (for STEM)
- 1 one subject **college-ruled** composition notebooks (black marble) (for Math)
- 3 one subject **college-ruled**, full-sized notebooks
