

7th Grade Summer Work

SHSS School Year 2023-2024

7th grade scholars will read one summer reading text, complete 60 minutes per week of Math IXL, and complete 30 minutes per week of ELA IXL. All scholar work is monitored by the Math and ELA teachers.

Text:

Scholars have a choice between two texts:

- a. [Hold Fast](#) by Blue Balliett
- b. [Just Under the Clouds](#) by Melissa Sarno

Both books were chosen by middle school scholars because they deal with the themes of poverty and housing insecurity.

Along with reading the text, the scholars are asking that grade 7 brings deodorant, soap, and/or body wash the first week of school. The donations will be gathered and brought to Rosie's Place.

IXL:

ELA - 30 minutes per week (total of 360 minutes).

Each scholar receives a personal list of IXL skills to work on.

Math - 60 minutes per week (total of 720 minutes).

Scholars will work on IXL Skill Plan.
