CATECHESIS OF THE GOOD SHEPHERD NEEDS CATECHISTS!

We are in need of catechists for Catechesis of the Good Shepherd, our Montessori-based faith formation for children ages 3-6. Please contact Andy Otto at aotto@stmga.org if you're interested in volunteering.

Our upcoming parish mission week will be on **June 26-30**. The mission promises to be an opportunity to learn more about the outreach programs in the Clarkston community, and for us to offer a helping hand to our neighbors! Each day that week, we will gather at the church in the morning for prayer and refreshment, then travel with our small groups to our assigned projects. At the end of the day, we will return to connect as a community before ending our day. All parishioners are invited to participate. Additional information will be shared with the parish in the upcoming months. Visit bit.ly/parish-mission-2023 to sign up! Questions? Contact Leigh at lholbrook@stmga.org.

WARMING SHELTERS DRIVE

We are collecting new or gently used sweats, hats, and gloves, as well as travel-size toiletries for those in need at our local warming shelters. Donations can be left in the designated collection bins in the narthex. Thank you for your generosity.

WHAT YOUR SVDP CONTRIBUTIONS DO...

James, an elderly, disabled man who lives in Decatur Section 8 (limited income) housing, was unable to pay his gas bill, and his gas (heat) was turned off in November. He reached out to SVdP the week before Christmas asking for assistance. Thanks to the generous donations from our STM parishioners, we were able to pay to reconnect his gas account two days before Christmas, allowing him to heat his apartment during the extreme cold snap in December.

AGAPE is a faith-sharing community for young adults/late teens with special needs. These individuals may not be able to fully access the other faith sharing groups offered within our parish due to their limited cognitive, physical, or verbal skills. We socialize, pray, reflect, and build a supportive community within a small group setting. For more information, contact Julie Siler at juliesiler05@gmail.com.

At this year's event, participants will attend workshops that equip congregations to build their Green Teams, combat climate change, and mobilize around local and federal climate issues.
