## Come Join Us in 2023!

It's a new year!

Time for us to build a new mind and a new spirit!  
Time for learning. Time for healing.  
Time for defending our faith. Time for holiness.

Beginning Tuesday, January 10, 2023, Holy Trinity Faith Formation will be hosting Deacon Pat Humphrey. Deacon Pat will spend four consecutive Tuesdays visiting Holy Trinity (7 p.m.) and sharing some reflections on the above themes. You are welcome to join us for 1,2,3 or all 4 sessions. Space is limited. Register at <https://holytrinityavon.flocknote.com/signup/108754> or call/text Maryann Ksenich 440-714-7188.

Time for Healing

We are all frustrated with our polarized partisan church. The harder we try to hold onto all that we believe to be truth, the more division we create. How do we learn to accept and appreciate the gifts we are to each other? How can love overcome ego?

## UPCOMING HT EVENTS

Jan. 14 ... Men's Fellowship 8:00-9:30 AM

Jan. 19 ... Mothers of Faith at 6:30 to 8:30 PM

### All Pro Family Ministry

The All Pro Family Ministry was started at Holy Trinity in 2021. We gather as families to discuss a different virtue every month.

Our next meeting will be **TODAY, January 8th after 9 a.m. Mass.** We will gather for fellowship and food in the Holy Trinity gym. Your entire family is welcome and encouraged to attend. You will have the opportunity to meet other families and make new friends.

We will be discussing **loyalty!**

Relationships, including with family and friends, are built on loyalty. Loyalty means standing with someone in the good and bad times. I've got your back and you've got mine. If you don't have loyalty, you stand alone.

**Men's Fellowship** is based on a series of topics on how to be a Catholic Man in the World today. This is not a Bible study, but discussions that are focused mainly on issues of concern to men in the ordinariness of their everyday lives. The series is firmly rooted in Sacred Scripture and the Catechism of the Catholic Church. These sessions cultivate and build friendships within the community. We learn from one another how to be a better husband, father, son and a single adult. For further information contact Mark 440-552-1979 or John 440-865-7974

We meet on the 2nd & 4th Saturday of every month.

**The next meeting is January 14th at 8:00 am – 9:30 am.** in the school Teacher's Lounge.  
(use the west school entrance)

### Mothers of Faith

Are you a mother with a prayerful spirit looking to feel or share God's love? Are you a mother who wants to share your love for the Lord and bring people to faith? Whether you are ready to learn about faith, grow in faith or share in faith we have the place for you! Please join us!

**Mothers of Faith** is a faith group being led by Krista Kotecki and Karen Schneider on the Third Thursday of every month at Holy Trinity School.

Our goal in meeting is to build our faith through prayer and worship. How cool and easy is that? Motherhood and life are not easy tasks. We need our faith to continue to help us to grow in our human lives as well as to model what faith filled mothers look like for our children. What better way to share our strength but through a simple gathering to grow with love and light?

Our next session will be **Thursday, January 19th from 6:30-8:30 p.m.** in the school Maker Space. *Please park in the north lot by the middle school door.* Our sessions will always discuss our take aways from the weekly homily, prayers and discussion.

## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

January 8, 2023

### The Epiphany of the Lord

A friend of mine is a young priest who teaches high school physics at a Catholic boys' prep school. Like many today, the boys often think science and religion are enemies. So, he delights in their raised eyebrows when he reminds them his first full-time job as a priest was to be an astrophysicist. He cataloged the size, shape, and matter of distant stars. He tells them, "Science gave me more love for God, not less."

The Magi were something like scientist-astronomers. Like today's scientists, they employed disciplined methods of discovering dependable patterns in the world. Their rigorous commitment to the truth led them to the joy of discovering Jesus. Their love for knowledge leads them to worship the Source of all knowledge. Luke says of them, "They were overjoyed at seeing the star."

We may see the universe as cold and empty and feel sad. But why should we do that? The Magi, like my priest-friend, show us there is another way to experience the world. We use our intelligence to discover the beautiful patterns in the world — in mathematics, physics, astronomy, biology, neuroscience, and so on — and allow this to lead us to greater love for God. So, my fellow Magi: the world needs us to be overjoyed at finding God in science and, finally and fully, in Jesus.

— Father John Muir

5 | Holy Trinity Catholic Parish

The story of the Wise Men bringing gifts to Jesus, the newborn King, is a great one, isn't it? They had a great big star in the sky to lead the way. I am no Boy Scout, so I am not sure how well I would do following a star like that. But the important point here is that God led them to the manger. The manger was a place that unless God specifically showed you this was where the Christ Child was born you wouldn't have believed it. You would have passed on by.

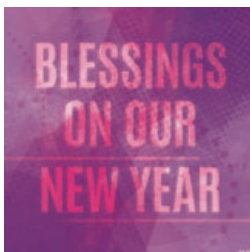

In our lives, there are no big stars in the sky leading us where we need to go. It isn't so easy sometimes discerning where God is leading us. We may seek to use our gifts wisely, but in what manner and to what end is not always clear.

This is where prayer can make a huge difference. If we seek to cultivate a prayer life where we are mindful of the presence of God throughout our day, then the call is easier to discern. We can help the process by intentionally offering to God in the morning the entirety of the day to come: all our actions, all our time, and all our decisions. In the evening, we can examine the past hours of the day and reflect on when we responded well to Christ's call and when we fell short. Then we resolve to begin again tomorrow, inviting Christ to be with us every step of the way. God may not offer a star in the sky to lead us, but if we invite us on our journey each day, the path will be much clearer.

## FAMILY PERSPECTIVE

The three magi demonstrate for us the balance of faith and reason. They were academic scholars who noticed the star that shone over Bethlehem was no ordinary star. Their quest to discover the truth of the star brought them to Jesus; where they presented him with gifts that acknowledged and honored his kingship, divinity and mortality. Highly intelligent individuals, the magi show us that faith does not compromise one's ability to believe in God. Their minds were open to whatever they may discover. They allowed the love of God into their minds and hearts. An example of how the pursuit of knowledge may lead one to faith!

*Intercession: O Christ, as the magi opened their hearts and minds to adore you, open our hearts and minds to the transformational power of the Holy Spirit. Amen.*

The next Cleveland Retrouvaille  
Weekend is scheduled for  
January 13 - 15, 2023

The Retrouvaille program is a Lifeline for Troubled Marriages

Has your marriage become unloving or uncaring – your relationship cold, distant – thinking about a separation or divorce? Are you already separated/divorced but both of you want to try again? Then the Retrouvaille program may help you rediscover each other again.

RETROUVAILLE, which means rediscovery, is supported by the Catholic Diocese of Cleveland, but it is open to couples of all faiths. This program consists of a weekend experience for couples and six follow up sessions. A registration fee of \$450.00 is required to confirm your reservation. For more information concerning the program, or to register, please call Shelly or Rob at 216.509.0301 or 440.836.4810 or you can login online to [www.helpourmarriage.org](http://www.helpourmarriage.org).

The relics of Bl. Carlo Acutis and St. Manuel Gonzalez Garcia, special intercessors of the Revival, will be in our diocese from **January 6 - 12, 2023**.

Bl. Carlo was a young millennial fascinated by the Eucharist. He loved playing video games, but loved Jesus more, using his computer skills to create a website to teach other about the Eucharist. Since his First Communion, he attended Mass daily and brought his family back to the faith. He died in 2006 at age 15 of leukemia, offering up his suffering for the Pope and the Church. St. Manuel is known as the Apostle of the Abandoned Tabernacles. St. Manuel was a priest and sent by the Archbishop to Palomares del Rio, a village, but upon his arrival no one came to meet him. The church was greatly abandoned: filled with dust and dirt, cobwebs inside the tabernacle, and torn altar cloths. Upon seeing this situation, he knelt before the altar and thought about the many abandoned tabernacles in the world. He devoted his life and ministry to teaching people about the Eucharist and cared deeply for youth.
