

20TH SUNDAY IN ORDINARY TIME

"Whoever eats my flesh and drinks my blood remains in me and I in him. Just as the living Father sent me and I have life because of the Father, so also the one who feeds on me will have life because of me."

**~GOSPEL REFLECTION ~
Twentieth Sunday in Ordinary Time**

August 18, 2024

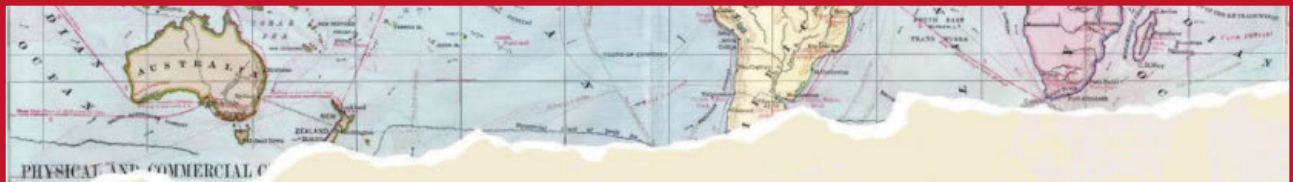

This past Monday, our Director of Youth and Campus Ministry, Clare Sherman, launched “Bonfire Nights” for our junior high students. Despite initial hesitation, our young people came, played games, made s’mores, and prayed together. They started the evening meeting each other, then went into a very intense kickball game. They played KanJam, volleyball, and a variety of other games. They supported each other, shared jokes, and enjoyed making new friends. Throughout the event, everyone enjoyed the warm fire and special treats, although the s’mores were clearly the big winner. Our young people enjoyed the beautiful summer night with friends, but more importantly, they encountered a community of faith and others who desired to know God. The evening ended with Clare sharing a scripture for reflection: Psalm 23. “The Lord is my shepherd; there is nothing I shall want.” Clare talked about her prayers and coming to know who our shepherd is. Many shook their head in agreement, with a desire to know our God. What beautiful words as we continue to reflect on the bread of life discourse this week. Our shepherd so desires to be with us and care for us that he offers real sustenance; he is true food and true drink. As I stood among Clare, her core team, and the junior high students, I found myself a bit overwhelmed by how the Lord feeds us. At every age, in every moment, he finds ways for us to encounter His goodness. I love singing the responsorial, “Taste and see the goodness of the Lord,” because when we reflect on who our shepherd is, we can truly taste and see; we know the bread of life is eternal. I invite us all to continue to pray for Clare Sherman and the formation of our youth and campus ministry program. Your prayers are a vital part of this program, and they can strengthen and guide us as we each come to know the goodness of our Lord.

Desi

Desi Gould, Director of Evangelization

Welcome

Holy Trinity is excited to welcome new teachers.

Kaye Dregalla - Junior High Math

Kaye is eager to join the Holy Trinity School community, expressing her excitement about the warm welcome she has already received. She looks forward to creating a positive and engaging learning environment in her own classroom as our Junior High Math Teacher.

Kaye is from Olmsted Falls where she graduated from Olmsted Falls High School and went on to earn her Middle School Education license (4th - 9th grade) in Math and ELA from Notre Dame College. In college, Kaye was an active volleyball player and currently coaches the 9th grade volleyball team at Olmsted Falls High School.

In her free time, Kaye enjoys playing in a sand volleyball league, cheering on Cleveland sports teams, fishing, and spending quality time with her family which includes her mom, dad, and two sisters. She has a passion for card games and loves taking her Newfoundland-Great Dane on various adventures.

Nicole Kramer - Junior High Science

Nicole joins Holy Trinity as our new Junior High Science Teacher; bringing 17 years of dedicated experience in Catholic education.

She earned her Bachelor of Arts degree from The Ohio State University and her Master of Arts in Education from Ursuline College. Last year, Nicole served as the building substitute teacher at Holy Trinity, where she became an integral part of the school community and gained valuable insights into the school's unique culture and student needs.

Nicole is excited to continue her journey at Holy Trinity, where her daughter is a student, and she feels honored to contribute to the growth and success of a school that holds a special place in her heart. With a passion for science and education, Nicole looks forward to engaging students with innovative teaching methods that foster curiosity and a love for learning.

Outside the classroom, Nicole enjoys tennis, golf and spending time outdoors. She finds joy in planning trips and exploring new places with her husband, two children and their chocolate lab.

Time + Talent + Treasure

Due to the power outage last week, collection totals are not available at this time.

Welcome

St. Mary of The Immaculate Conception is excited to welcome new teachers.

Miss Taylor Jamison - First Grade

For the last four years, Taylor has been St. Mary's 4th Grade Homeroom teacher; teaching Math, Reading and Language Arts to 4th and 5th graders.

This year, as our 1st Grade teacher, she is delighted to be working with our younger students; something she has wanted to do since first getting into the education field.

She enjoys spending time with friends and family, exercising and teaching fitness classes, and watching the Cleveland Browns. She's excited to get to know the 1st grade students and their families, and then helping them foster a love for learning!

Mrs. Laura Healy - 4th Grade Homeroom

Laura is excited to become our new 4th Grade Homeroom teacher and an official St. Mary Wildcat! She will be teaching our 4th and 5th graders Math, Reading and Language Arts. She has been working at St. Mary's for the last few years as an aide, tutor and substitute teacher, so she has already worked with many of our students.

Laura grew up in Mentor, graduated from Mentor High School and earned her Bachelor's Degree in Middle Childhood Education from Kent State University. After which, she taught middle school math for four years at Washington Park Community School in Newburgh Heights.

After taking a break to raise her children, now 5th and 8th graders at St. Mary's, she is ready to continue her efforts in creating a positive environment that nurtures growth and learning.

She lives in North Ridgeville with her husband, children and two guinea pigs. She enjoys spending time with her family, watching Cleveland sports teams, and cheering on her children from the sidelines.

Time + Talent + Treasure

Due to the power outage last week, collection totals are not available at this time.

Coach Mister Teacher Sir Vamospercsi's Games Camp 2024

Games Camp was a real “jackpot” of a time. Campers took part in a variety of games ranging from backyard games like “leaky-cup” relay races to Olympic events like Badminton. Campers took a trip to a local bowling alley for some afternoon fun. With the Summer Olympics kicking off, students also had the chance to learn about a variety of sports that they could watch during the Summer Olympics.

“It was really cool to go to a games camp while learning all about the Olympics.” - Maryn M.

Some Olympic events that campers were able to learn about and participate in included fencing, breakdancing, handball, football (soccer), volleyball, basketball, and badminton. An event that campers enjoy every year is the final day's “Camp Olympics”, which puts together all the skills practiced and then some, like human-sized “Hungry, Hungry Hippos.” Mr. V also designed an indoor putt-putt course that everyone enjoyed.

As we prepare to begin our new school year, we would like to **congratulate** the following students at **Elyria Catholic High School** who received honors for the 2nd semester of the 2023-2024 school year:
