

## 26<sup>TH</sup> SUNDAY IN ORDINARY TIME

At that time, John said to Jesus, "Teacher, we saw someone driving out demons in your name, and we tried to prevent him because he does not follow us." Jesus replied, "Do not prevent him. There is no one who performs a mighty deed in my name who can at the same time speak ill of me." - Mk 9:38-39

## AUGUSTINIANS OF THE ASSUMPTION

### THE ASSUMPTIONISTS

Next weekend we welcome missionary priests to our parishes  
for a one weekend stay.

Please read a little about the Mission of the Assumptionists  
below and give a warm welcome to

**Rev. Dinh G. Votran at St. Mary's**  
and  
**Rev. Rodel Cervantes at Holy Trinity**

From the very beginning, the Augustinians of the Assumption (Assumptionists) have been engaged in a wide variety of apostolic works. All that advances the coming of the Reign of God has always been deemed worthy of our apostolic energy.

It's a preference for poor, in response to the Gospel and to the Church calling us today to be on their side. For us too it's a consequence of our own vow to live as poor men. Some will dedicate themselves full-time to this work: with marginalized people of every kind, in hospitals and in prisons, "worker priests" or volunteers in different organizations ... But all of us try to live in union with the poor, because, "the poor will always be with us", because the poor are too often neglected even within the Church. This is a bias that the Assumption encourages.

Our Province of North America is specifically responsible for the missions in East Africa (Kenya, Uganda, and Tanzania), Mexico and the Philippines. We provide personnel and financial assistance that is indispensable in order to maintain our charitable works (schools and nurseries) and formation programs for both laity and clergy in these countries. Many of our apostolates in these countries specifically work to better the living conditions of the impoverished brothers and sisters we live with and minister to. In the Philippines, we sponsor education and aid programs for underprivileged villages both in the Manila area and in other mission centers. Our parish in Orizaba, Veracruz Mexico ministers to an underserved indigenous community.

**Calling all Dating / Engaged / Married Couples.....** You are invited to attend Date Night at Parker's Grille and Tavern ...32858 Walker Road in Avon Lake on Thursday, October 3rd from 630–900 pm. Enjoy Food, Drinks and a Speaker from Theology of the Body Cleveland who will help us rediscover the gift of our significant other. To register, please call the parish office by Tuesday afternoon.

# DISCIPLESHIP DIGEST *with Desi*

**September 29, 2024**

Last week, the Avon Catholic Community embarked on an inspiring pilgrimage to the breathtaking Our Lady of Victory Basilica in Lackawanna, NY, as part of our "Road to Glory" series. This magnificent basilica, with its stunning European-style architecture, is a feast for the eyes and holds deep spiritual significance. Built through the vision and leadership of the beloved Father Nelson Baker, who raised \$3.2 million without a cent of debt, this basilica is a testament to faith and generosity. Designed by the renowned Emile Ulrich, it symbolizes devotion and inspires countless visitors. We encourage you to pray for Father Baker's intercession as we join his journey toward sainthood!

But that's not all! Before we arrived at the basilica, our group enjoyed a wonderful visit to the Grape Discovery Center, where we learned about the region's rich grape-growing tradition—and yes, there was wine tasting! The day ended with a delicious dinner at Arundel Cellars and Brewery, making it a perfect blend of spiritual enrichment and community fun.

A huge thank you to the fantastic Road to Glory Bus Trip Committee: Nick and Maryann Ksenich, Eileen Schlather, and Laura Ulery. You did a fabulous job organizing this unforgettable experience, and we're so grateful for your dedication!

Looking ahead, our next adventure on the "Road to Glory" will take us to St. Anthony's Chapel in Pittsburgh this spring. It is home to the largest collection of relics in the world, second only to the Vatican! We can't wait to see you there for another spiritually uplifting journey. Join us as we continue to explore our faith, deepen our connection to God, and make lasting memories!

Dear brothers and sisters in Christ and all people of goodwill,

In the Gospel of Luke, Jesus is asked by a scholar of the law, "And who is my neighbor?" when faced with upholding the greatest commandment. Jesus replied with the parable of the Good Samaritan. Today, our nation is divided by partisanship and ideology, which blind us to the image of God in our neighbor, especially the unborn, the poor, and the stranger. These negative sentiments are only exacerbated by gossip, which can spread quickly across social media with no concern for the truth or those involved.

From the beginning, the human race was made in the image of God, which distinguishes us from all other created things. The arrival of Jesus Christ in human history confirms the dignity God has given to each of us, without exception. It is our belief in the dignity of human life that guides our consciences and rhetoric when engaging in politics or personal conversation. Each of us, therefore, must turn to God and ask for eyes to see the infinite dignity of every person.

Throughout our nation's history, Catholic immigrants have come to our shores seeking freedom to worship and raise their families. Over 70 years ago, Pope Pius XII urged the Body of Christ to understand the Christian responsibility to care for migrants and refugees, writing, "Indeed, there never has been a period during which the Church has not been active in behalf of migrants, exiles and refugees." Today, we witness newcomers to our dioceses who have escaped extreme violence and poverty and are seeking work to support themselves and their families. Some are Catholic, some are not, but all are welcome in our parishes, and all are individuals loved by God. What is our duty, as Catholics, to ensure all segments of our society, including our political leaders, view newcomers first as children of God while understanding the need to enforce reasonable limits to legal immigration? Do we ask ourselves how we would want to be received if forced to flee our homes?

Though national attention has turned to Springfield, we know that throughout Ohio our neighbors include Haitians and others fleeing inhumane conditions in their countries. Our Haitian brothers and sisters in Springfield have been granted 'Temporary Protected Status,' a humane federal program that protects foreign nationals from deportation to unsafe home countries. Like all people, these Haitians should be afforded the respect and dignity that are theirs by right and allowed the ability to contribute to the common good. The recent influx of so many migrants in a brief time has caused a strain on the city's resources. We applaud all those community groups working hard to advance the flourishing of Springfield, given the need to integrate newcomers into the social fabric. If we remain true to our principles, we can have a dialogue about immigration without scapegoating groups of people for societal issues beyond their control.

The Letter of Saint James warns, "Consider how small a fire can set a huge forest ablaze. The tongue is also a fire... With it we bless the Lord and Father, and with it we curse human beings

who are made in the likeness of God" (James 3:5-6, 9). As the residents of Springfield, Ohio struggle with violent threats and life disruptions fueled by unfettered social media posts, we exhort the Catholic faithful and all people of goodwill not to perpetuate ill will toward anyone involved based on unfounded gossip. Instead, we ask for prayers and support for all the people of Springfield as they integrate their new Haitian neighbors and build a better future together.

Pope Francis, like Pope Benedict XVI and Pope St. John Paul II before him, reminds us that we are all migrants on this earth headed toward the "true homeland," the Kingdom of Heaven. On September 29, the [World Day of Migrants and Refugees](#), we are asked by the Holy Father to reflect upon the need to open our eyes to those brothers and sisters who might live in the shadows of our parishes and communities. The Catholic Church continues to pray and work in places of violence and economic despair so that individuals and families do not have to flee their homeland. In the meantime, let us reject a mindset of judging who belongs to our community and put on the mind of Christ to understand that God walks with all his people, especially those in need.
