## LENT THIS WEEK:

-Friday, April 4: Soup & Shadow Stations at Holy Trinity. Youth Ministry will host soup & grilled cheese at 5:30 p.m. in the gym. Shadow Stations, led by Children's Ministry, will begin at 7 p.m. in the church.

On April 12, **Sean Neville** and his classmates will be ordained transitional deacons. This sacrament of Holy Orders marks an important step on their journey towards priesthood. ***Please join us in praying for these men:***

Good and gracious Father, we thank you for the gift of these men who desire to serve you and your Church through the priesthood. Fill them with your grace so that they might be equipped to live lives that reflect your goodness and mercy. Strengthen them with your Spirit so that they might be filled with your peace and wisdom as they endeavor to serve you. May the witness of their lives invite us to see the Church as your bride and inspire us to grow deeper in relationship with you. We ask this through your Sacred Heart, who pours itself out for all your priests and all your people. Amen.

## DISCIPLESHIP DIGEST *with Desi*

Jesus tells the story of the Prodigal Son; the kid who took his inheritance, ran off, and spent it all, only to come crawling back home, hoping for scraps. But instead of a lecture, he gets a feast. Instead of scolding, he gets an embrace. What a father! If only our own kids had it so easy when they “forget” to clean their rooms!

But this parable isn’t just about one son who wandered off. It’s about a Father who never stops waiting, loving, and welcoming His children home. It’s about a love so big that no one is ever too lost, too messy, or too far gone.

Now, speaking of kids—have you ever tried running a children’s ministry? It’s a little like the Prodigal Son story. Some days, the kids are fully engaged, growing in faith. Other days, they’re just here for the snacks.

At Avon Catholic, we are blessed with an amazing Children’s Ministry, led by the tireless efforts of Karen Schneider. This Friday, April 4th, our children will bring the Stations of the Cross to life through Shadow Stations, beautifully prepared as they journey with Jesus to Calvary and coordinated by both Karen Schneider and Bridget Stalla. These two have been working hard to guide our children and trust me—you don’t want to miss it. The kids have put their hearts into creating this beautiful experience, while Youth Ministry will serve a simple supper of grilled cheese and tomato soup.

But here’s the thing - we need help. Karen is dreaming big for our kids: Sunday school, faith formation, and special events. We need others...we need YOU, to make it happen.

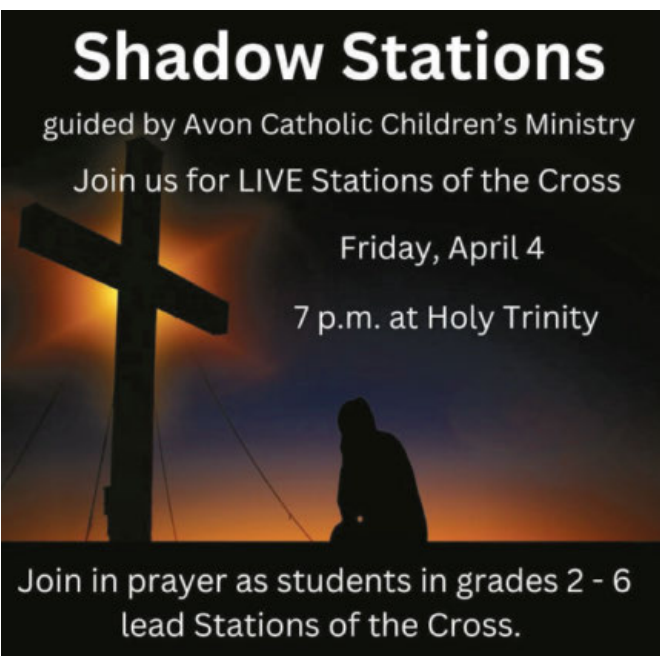

Maybe you think, “I don’t know enough about teaching.” Well, if you can herd children like lost sheep, answer endless questions, and smile through the chaos, you’re more than qualified.

Please attend Shadow Stations on Friday and witness the beauty of our children’s faith. And maybe, just maybe, God is calling you to be part of this mission. At the very least, come for the grilled cheese. We won’t judge.

God is always calling His children home. And sometimes, He’s calling YOU to help welcome them.

### Two Holy Trinity Students Advance to State Science Day at The Ohio State University

Holy Trinity School is proud to announce that four of our talented students: Kevin Bee, Brady Haber, Cassidy Shaner and Demi Kacir, represented our school at the Ohio Academy of Science - Science Day held at Ashland University on Saturday, March 22. Their hard work, dedication, and passion for scientific discovery were on full display as they competed alongside students from across the region.

A special congratulations goes to Demi Kacir and Cassidy Shaner, who received an outstanding achievement rating of **"Superior"** and were honored with **The Michael R. Hudson Outstanding Young Scientist Award**. As a result of their exceptional performance, Cassidy and Demi have earned the opportunity to advance to **State Science Day** at The Ohio State University!

State Science Day, a program of the Ohio Academy of Science, is one of the largest science fairs in the nation. It provides students with a unique opportunity to have their research evaluated by scientific professionals while competing for thousands of dollars in student scholarships. This year's event will be held **virtually**, with Scholarship and Sponsored Awards available to participants.

### Holy Trinity's Science Olympiad Team Shines at John Carroll University

Holy Trinity's Science Olympiad team put their STEM skills to the test at John Carroll University on March 15th, bringing home an impressive **10 ribbons** by the end of the competition! Competing against schools from across the region, our students showcased their knowledge and teamwork in a variety of challenging events.

Science Olympiad has grown into one of the largest student-serving STEM competitions in the country, engaging young minds in hands-on problem-solving in subjects like engineering, chemistry, biology, and physics. Holy Trinity's team has worked diligently to prepare for the competition, and their hard work clearly paid off. We are incredibly proud of our students for their dedication and achievements, and we look forward to seeing their continued success in future competitions.

Participants: Emily Ammori, Benjamin Brogan, Olivia Campbell, Emerick Filippi, Jon Gorney, Maria Gould, William Harrison, Aaron Heinrich, Charlotte Henry, Shea Hess, Anja Kemer, Xavier Komora, Caitlin Krewson, Francesco Leone, Harper Lyon, Sean Martin, Madisen Mettera, Harrison Minor, Sophia Nemeth, Maria Nunney, Andie Payne, Tommy Scharff, Mac Smith, Paul Soltis, Fiona Thomas, Mateo Vil-
