## Virtues, Explained!

### **Peace, Explained!**

Peace. There may be no other word in the English language, writes Msgr. Stuart Swetland in Catholic Answers, “more susceptible to sloganeering, and thus misunderstanding.” But what is peace, in the context of Catholic virtue?

The peace of God, writes Paul in his Letter to the Philippians, “surpasses all understanding.” (Phil. 4:7) Peace is both a fruit of charity (CCC 1829) and a fruit of the Spirit (CCC 1832). Our modern Catholic understanding of peace is derived from the Hebrew concept of *shalom*, or wholeness, and it refers not just to an absence of violence (mandated by the fifth commandment) but to a personal reconciliation with one’s Creator. Peace is a spiritual effect of the Sacrament of Reconciliation (CCC 1496).

Our search for interior peace in our hearts parallels the historic struggle of mankind to realize peace in the world by practicing justice. “When we hear the Gospel, dear brothers and sisters,” said Pope Benedict, “we learn to build peace on the truth of a daily life inspired by the commandment of love.”

## Devotions, Explained!

### **The Angelus, Explained**

The incarnation of Christ changed the life of every Christian person who ever lived. Reflecting on that moment in salvation history is an opportunity for grace, growth and peace. Who wouldn’t want that every day, or even three times every day?

The Angelus is composed of three antiphons which narrate the annunciation, each followed by the recitation of a Hail Mary (a prayer that itself contains the “angelic greeting” of the angel Gabriel). Its name is derived from the first words of the prayer in Latin.

This devotion was developed over the course of several centuries and is rooted in the ancient practice of saying three Hail Marys in the evening. Historically, people were called to prayer by the ringing of church bells — “the Angelus bells.” Most people who recite the Angelus do so daily at noon, though it is often said in the morning, at noon and in the evening.
