April Prayer Intentions Pope Francis

For the use of the new technologies

Let us pray that the use of the new technologies will not replace human relationships, will respect the dignity of the person, and will help us face the crises of our times.

Bishop Johnston

For all musicians and those who teach and tutor others in learning how to play an instrument, to sing, compose, and appreciate music. That they be supported and blessed in their profession and efforts to enrich the world with beauty.

From Death to New Life
