CHILDREN'S ROSARY SCHEDULE

The Children's Rosary is a rosary prayer group composed of children and led by children. Through the prayer of the Rosary, Our Lady will guide our young people and at the same time sanctify families and parishes. Our Blessed Mother has chosen to convey messages to the world as well as the importance of the Holy Rosary through children such as the three children of Fatima, Portugal: Lucia Santos, Francisco Marto, and Jacinta Marto. Our Lady also appeared to the child Bernadette Soubirous at Lourdes, France while she was praying the Rosary. With the guidance of Our Blessed Mother, let us follow her example and bring our children to her. Our Lady always has her arms outstretched to her children, calling them to herself and through her intercession to the loving heart of her Son, Jesus.

We invite all families to join us for the Children's Rosary which will be prayed by Levels 4, 5 and 6. After attendance is taken on the day of the Rosary, children attending Sunday session will walk to the hall of the Education Center where the Rosary will begin promptly at 9:15 a.m. Children attending the Monday session will walk to the Church where the Rosary will begin promptly at 6:45 p.m. After reciting the Rosary, the children will return to their classrooms.

A prayer petition box will be placed in the Education Center on the first floor to collect intentions for which the children will pray. Two weeks prior to the Children's Rosary session, prayer petition slips will be placed in the Levels 4, 5 and 6 folders in the Level Bin. Teachers will distribute the slips in their classes so they can be filled out and returned before the night of the Rosary.
