Step 3: If you have an existing account please log into it. If you don't have an account you can create one by choosing any of your three options here. (Note: if you have an account with an email already and you login with the wrong password you will get the error that this account already exists, simply reset your password and try again)

Step 4: After you hit register you will come to this screen and now all you need to do is download the hallow app and login the same way you just did.

Step 5: Confirm in your Account Settings that you have a free subscription through Easter!

We're so grateful to pray with you this season! If you have any questions, please don't hesitate to reach out to the Hallow team at support@hallow.app

The annual, monthly, and family subscription options are not relevant during the signup process as the parish has made Hallow Plus available for free through the start of Easter!
