Your Generosity in Action: 2025 Endowment Impact

Each year, St. Odilia is blessed with distributions from our Parish and School Endowment Funds—a testament to the foresight and generosity of those who have invested in St. Odilia's future. These treasured resources allow us to fund special initiatives beyond what our regular operating budget can support, enhancing our ability to serve Christ and one another.

This year's endowment distributions will provide **\$95,678** for parish ministries and **\$30,100** for our school mission. **Because of donors like you, these funds become the hands and feet of Christ, reaching into every corner of our parish life**—from new convection ovens that feed our school children to the Community Garden that feeds both body and soul; from Mental Health Seminars that comfort those struggling to Faith Formation scholarships that nurture our youngest disciples. Thank you making this impact. **Your generosity is deeply appreciated.**

The approved endowment grants for 2025 listed below reflect our commitment to the St. Odilia mission of ***making Christ known and loved***. Thank you to each and every donor for making this impact. Your generosity is deeply appreciated.
