

## RCAB Health Plan – Services Subject to Co-Payments

**\*Please note that under the RCAB High Deductible Health Plan, co-pays are not charged. For non-preventive medical services and prescriptions, a covered individual must first meet the deductible before the HDHP starts to pay.**

As of July 1, 2025 the RCAB Health Plans provide coverage for certain services with a co-payment, for which no deductible is due and no balance-billing is permitted, as long as these services are received from a provider that participates in the Blue Cross Blue Shield PPO network or, for pharmacy services, from a pharmacy that participates in the CVS/Caremark network.
