Why Parish Retreats?

We believe that hosting retreats in parish settings—rather than at the Rejoice in Hope Center—will bear greater spiritual fruit. Parish churches provide a more sacred and reverent environment for Adoration, particularly for teens encountering Jesus in the Eucharist for the first time. Additionally, rotating among different parishes helps young people experience the richness and diversity of the wider Church community, deepening their sense of belonging to it.

The theme for the 2025–2026 Confirmation retreats, inspired by Acts 4:31, centers on the transformative power of the Holy Spirit: ***“When they had prayed, the place in which they were gathered together was shaken; and they were all filled with the Holy Spirit and spoke the word of God with boldness.”*** Just as fire illuminates, refines, and transforms, this retreat invites candidates to allow the fire of the Holy Spirit to transform them. Through engaging talks, prayer, and encounter, they will learn how to build a relationship with the Holy Spirit, receive a deeper outpouring of His grace, and discover how to recognize and use their spiritual gifts to boldly live & proclaim the Gospel.
