to bring their nations to a peaceful state. He is keenly aware of the heavy toll war and conflict have taken upon the innocent in so many parts of the world. We are already beginning to see signs of Pope Francis living on in the heart of Leo.

## Recognizing leadership

I've heard the question asked many times: "Why did a person who was unfamiliar to so many end up on the throne of Peter?" While Cardinal Prevost may not have been widely known to the world, he was widely known to the college of cardinals! Serving on several dicasteries (offices) throughout his years in Rome, Cardinal Prevost proved to be a person who was worthy of leadership.

In fact, Prevost and Pope Francis didn't always see eye to eye. Francis, however, had a great love and respect for him because he was genuine and presented his position with love and charity.

I think we will see the same in the reign of Pope Leo. He has so many gifts and talents for which the Church and her people will benefit. Let us continue to keep the holy father in prayer as he settles into his new role and is formally installed this weekend.

## Continuing construction

Construction continues to chug along. Outside work is taking precedence at this time in order to get con-

*"Let us continue to keep the holy father in prayer as he settles into his new role and is formally installed this weekend."*

- Fr. Michael

Dear Friends,  
The first days of Pope Leo XIV's reign have been filled with many things, but I've noticed that he always takes time to warmly greet people and engage them in conversation - a sign of genuineness.

## Addressing war and conflict

In a recent statement, the holy father invited world leaders to meet face to face, to dialogue about their differences and make concrete plans

## PRAY FOR POPE LEO XIV

We thank God for our new Holy Father, Pope Leo XIV! In this Jubilee Year of Hope, we ask the Lord to shower Pope Leo XIV with grace and favor as he begins the beautiful, arduous, and evangelizing task of shepherding the Universal Church.

We commend our new pontiff to the powerful intercession of Mary, the Mother of God and the Mother of the Church, and wish Pope Leo XIV a long and fruitful pontificate.

Saint Peter, pray for us!

crete poured and the chiller operational. Large electrical boxes were hung this past week in order to transition us over to the new electrical service that was provided by MG&E. Though not overly exciting, these are major steps in the right direction and continue to push us forward.

In the rectory, drywall in the pastor's apartment is almost complete. Paint will be applied, and finishes can begin. Our goal is to have the second floor completed by the end of June. The organ team will be staying with us during installation of our instruments to keep travel costs down.

## With our sympathy

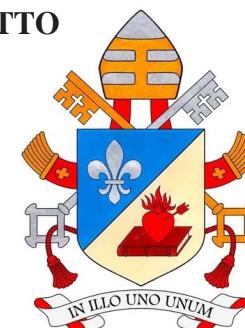

We offer our love and prayers to the family of Sally O'Malley of our parish, who died this past week. Sally was a pillar of our parish community for many, many years, and will be dearly missed. May the Lord grant her eternal life in the joy of His kingdom.

*With love in the Sacred Heart,  
Fr. Michael*

## ABOUT OUR NEW POPE LEO XIV

The following information and more on the new pope (including videos, public statements, and coat of arms) can be found at <https://madisondiocese.org/ournewpope>:

It is with joy and prayers, united to those of the whole Church, that we welcome Pope Leo XIV as the 267th pope!

Pope Leo XIV (Robert Francis Prevost, OSA), a former prefect of the Dicastery for Bishops, is a Chicago-born prelate who spent many years as a missionary in Peru before being elected head of the Augustinians for two consecutive terms.

### Education

Born on September 14, 1955, in Chicago, Illinois, Prevost entered the novitiate of the Order of Saint Augustine (OSA) in 1977 and made his solemn vows in 1981.

His educational background includes a Bachelor of Science in Mathematics from Villanova University in 1977, a Master of Divinity from Catholic Theological Union in Chicago, and both a licentiate and doctorate in canon law from the Pontifical College of St. Thomas Aquinas in Rome. His doctoral thesis was on "The role of the local prior in the Order of Saint Augustine."

### Various roles in the Church

His career in the Church has been marked by significant roles and achievements. After his ordination as a priest in 1982, Prevost joined the Augustinian mission in Peru in 1985 and served as chancellor of the Territorial Prélature of Chulucanas from 1985 to 1986.

He spent the year 1987 to 1988 in the United States as pastor for vocations and director of missions for the Augustinian Province of Chicago before returning to Peru where he spent the next ten years heading the Augustinian seminary in Trujillo and teaching canon law in the diocesan seminary, where he was also prefect of studies. He also served in other capacities there, including as a parish pastor, diocesan official, director of formation, seminary teacher, and judicial vicar.

### In Chicago and Peru

In 1999, he returned to Chicago and was elected provincial prior of the "Mother of Good Counsel" province in the archdiocese. Two and a half years later he was elected prior general of the Augustinians and served two terms until 2013.

In 2014, he returned to Peru when Pope Francis appointed him apostolic administrator of the Diocese of Chiclayo. He was elevated to Bishop of Chiclayo in 2015. While there, he also served as vice-president and member of the permanent council of the Peruvian Bishops' Conference from 2018 to 2023. In 2020 and 2021, Prevost served as apostolic administrator of Callao, Peru.

Pope Francis appointed Prevost prefect of the Dicastery for Bishops in January 2023, a position responsible for selecting bishops, a position he held until Pope Francis died on April 21, 2025. On September 30, 2023, Pope Francis elevated Prevost to the rank of Cardinal. He was appointed the 266th Successor of Peter on May 8, 2025.
