PASTOR'S PULSE ON THE PARISH

SUNDAY
JANUARY 18TH
2026

Dear Friends,
I think we all had a spring in our step as we celebrated 40's and 50's this past week ... a taste of the springtime to come. It was short-lived, however, as we embrace reality once again.

The good news is that we're starting to see the sun earlier in the morning and enjoy some additional sunlight at the end of the day. In the words of the beloved disciple, "The light shines in the darkness, and the darkness shall not overcome it."

'Let there be light'

Speaking of light, we have a LOT of it with our new fixtures in the church! At their fullest brightness, the new LED fixtures are at least two times brighter than our old fixtures. There will be plenty of light to be had when the cathedral is filled for diocesan Masses and liturgies. The fixtures are dimmable as well, when full light is not needed. The new lighting system will also have different programs that can set brightness and select which fixtures need to be

operating. It's one of the many welcome upgrades in the cathedral.

Drywall and paint are wrapping up, and we'll begin the finish work soon. All of the marble and granite is slated to be installed by the beginning of February. Our cleaners will soon begin their work to do a deep clean of the upper areas of the cathedral in the near future. Once that's complete, the pews will be delivered and installed. We're continuing to move in the right direction.

Plans are in motion to post a job description to hire John's replacement as the next director of Sacred Music for the cathedral and the diocese. As many of you know, John and his wife Siegrid will be leaving us at the end of February and will be moving to the Diocese of Pittsburgh. While we'll miss them terribly, we send them with our love and gratitude for all that has been accomplished in our sacred music program over these past few years. I will keep you all apprised of the process as things move along.

Work of evangelization

One of Bishop's pillars of the new cathedral is the work of evangelization. The word "evangelization" can sometimes be a nebulous word that can encompass a variety of different things. What is it exactly? Why are we called to do it? How do we do it? What are the fruits of doing it?

These questions and many more will be answered at the beginning of the Lenten season as we welcome Tristan Borland and Nickolas Wingerter of our diocesan office of Evangelization and Catechesis for a two-day parish mission that centers around evangelization. Tristan is a former Protestant minister who answered the Lord's call to become Catholic. He worked in a "megachurch" as many larger Protestant churches are called. He brings a unique perspective as he has witnessed the evangelization engine at work in the Protestant world.

I'm very much looking forward to the mission, and I hope that you'll make it a priority to be with us. Please mark your calendars for Monday, Feb. 23rd and Wednesday,

"In the words of the beloved disciple, 'The light shines in the darkness, and the darkness shall not overcome it.'"

- Fr. Michael

February 25th for the mission. I share the bishop's passion for evangelization, as it's the central way to invite more people into the life of the Church.

As we transition back to the cathedral space and our meeting space becomes a bit more stable, I'm looking forward to many opportunities to share the Church's mission to evangelize with all of you. In order to have a successful effort, we need the faithful of the parish to be engaged in the mission to evangelize. Please embrace this opportunity as we are invited to be ambassadors of the cathedral and the Church herself to the many who will visit us and worship with us.

New ambassador ministry

In a previous bulletin column, I wrote about our new ambassador ministry, and the need for parishioners to assist with this ministry. It's a new ministry, and will encompass the ministries of greeter and usher. People with a warm, outgoing and welcoming personality are very much needed in order to make this ministry a success. Would you prayerfully consider being a part of this ministry? We'll need ambassadors at all our weekend Masses as well as at special Masses and events held here at the cathedral. Thanks for considering this important opportunity to serve.

With sympathy and prayers

We offer our prayers to the family of **Nick Hanuschewicz** of the cathedral who died this past week. May the Lord grant unto him the fullness of His mercy in the joy of eternal life.

*With love in the Sacred Heart,
Fr. Michael*

The following information is reprinted from www.usccb.org:

Day of Prayer for Legal Protection of Unborn Children

"A great prayer for life is urgently needed, a prayer which will rise up throughout the world. Through special initiatives and in daily prayer, may an impassioned plea rise to God, the Creator and lover of life, from every Christian community, from every group and association, from every family and from the heart of every believer."

-- Pope Saint John Paul II, *Evangelium vitae*

Millions killed by abortion

On January 22, 1973, the Supreme Court legalized abortion throughout the United States in its companion decisions *Roe v. Wade* and *Doe v. Bolton*. Since that time, millions of children have lost their lives, and millions of women and families have been wounded by abortion.

On June 24, 2022, the *Dobbs v. Jackson Women's Health Organization* decision overturned *Roe v. Wade*, and we praise God for the great opportunity state and federal legislators now have to protect pre-born children. While God, in His mercy, ended the nearly fifty-year nationwide regime of abortion on demand, right now state and federal laws, in many instances, are still hostile to pre-born children. So, great prayer and advocacy is very needed.

Day of Prayer designated on Jan. 22

The *General Instruction of the Roman Missal* (GIRM), no. 373, designates January 22 as a particular day of prayer and penance, called the "Day of Prayer for the Legal Protection of Unborn Children":

In all the Dioceses of the United States of America, January 22 (or January 23, when January 22 falls on a Sunday) shall be observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion.
