

Danbury Catholic School

Our Mission

Danbury Catholic will provide a quality academic and spiritual education, with Christ as the model for our staff, the inspiration for our students, and the reason for all that is done in our lives.

Principal Petersen's Post

We have had some great things happening lately. Our school received a MRHD grant for \$25,000 for new windows. The whole building needs windows, but the grant was for the windows along the west side. The current windows are showing their age. While this project will be a big undertaking, it will increase our security of our building as well as our energy efficiency.

As I am reflecting back on the Quarter 1 of our school year, I am so thankful for everyone that blesses our school in one way or another. In my 23 years of teaching, I have never seen a school with so much support from its community. We have amazing supporters who do a wide variety of things for our school. Our staff had amazing meals and snacks provided by the parents during conferences. The Blue Jay Ball committee put in so many hours so a fun time could be had last Saturday night. The individuals and businesses that donated to the dance are greatly appreciated. We have some in our community that donate to our specific needs, while others donate their time, talent, and trailers (to haul some tables and chairs that were donated because a grandparent in our community). When we all work together, the kids win for sure. For that I am so thankful for each and every one of our families and supporters!

If you are able, please send any items with your student(s). It is a wonderful way that DC has been able to give back to our local community for many years!

Danbury Catholic Staff would like to thank all of our PTO parents for providing delicious meals and snacks during conference days. We are truly blessed!
