Reminder

When your child will miss school, arrive to school late, leave school early, or have different transportation for the day, please contact the office. You can call 883-2244 or email office@danburycatholic.org. You are welcome to contact your child's teacher as well.

Principal Petersen's Post

The start of the school year has been a busy one! We gotten into our groove and are settled into our routines. We have learned so much about our lunch routine now that there is more involved on our part and it is going really well. The kids love being able to have 2nds and I love hearing them compliment Mrs. Munsen on the food she's made. Another big new change is our windows. Blankenship Paint & Glass started in late July and replaced every window in the school this summer. They are wrapping up finishing touches, but were so good to get most of their inside work done before school started. Another change is that we have added many new books to our library over the summer and still have many more donations to get cataloged into the library system. We love having Karre Sexton come in this year to help us with library check out on Tuesdays.

**Mass & Adoration are
Fridays at 8:30am**

Thanks to Holly Munsen, our lunch program has become a huge hit. The feedback that we are getting from the kids, staff and parents has been amazing. We would also like to thank everyone for their donations toward the kitchen shower and personal donations.

NEW TEACHERS

We are also excited to welcome our new teachers to our staff,
Mrs. Swanson - 3rd and 4th grade
Mrs. Kafton - 5th and 6th grade
Mrs. Phillips -PE
Mrs. Hansen -Music

Our local Knights of Columbus host an omelet breakfast on the Sunday of 4th of July in Mapleton. They again donated a large portion of their proceeds to our school. This generous donation really helps provide extras for our teachers and students! We appreciate the hard work of the KC's and the families that volunteered to work at this event! What a blessing the donors are as well! Many thanks to all who helped make this a success

OUR MISSION:

Danbury Catholic School will provide a quality academic and spiritual education, with Christ as the model for our staff, the inspiration for our students and the reason for all that is done in our lives.

Our parish, St. Therese of Lisieux, has a subscription to Formed.org and it is available to our families. To log in under our subscription, go to <https://formed.org/signup> and search for our parish using the 51019 zip code.

Praise, Teach, Live, Be the Light

JMC Family App

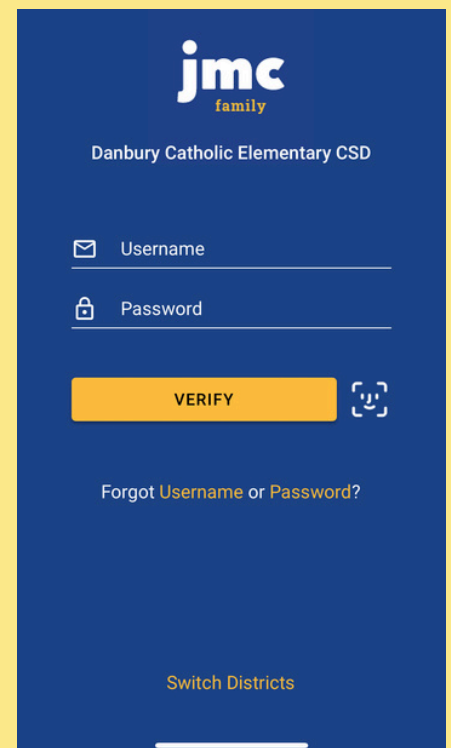

Follow these steps to check or pay your lunch balance online.

1. Download the JMC Family App or go to <https://danburycatholic.onlinejmc.com/Parent/Login.aspx>
2. Our School PIN Code is 0402
3. Your Username is your last name with a capital first letter. (Mr. Smith's Username would be Smith)
4. If you haven't set up a password or if you forgot your password, click Password under the Verify button. It will email you a link to set your password.

To check a lunch balance or deposit \$:

In the top left corner, click the 3 lines and choose Meal Balance. It will show you the total balance. At the bottom of the screen will be a yellow button to make a deposit if you'd like.

Please note, there is a \$4 fee to pay online. This is to help cover our expense for this.

A screenshot of the JMC Family App login interface. The background is dark blue. At the top, the 'jmc family' logo is displayed in white and yellow. Below the logo, the text 'Danbury Catholic Elementary CSD' is shown in white. There are two input fields: 'Username' with an envelope icon and 'Password' with a lock icon. Below these fields is a yellow 'VERIFY' button with a QR code icon to its right. Underneath the button is a link that says 'Forgot Username or Password?'. At the very bottom, there is a 'Switch Districts' link. A white horizontal line is visible at the bottom of the screen, likely representing the home indicator on an iPhone.

This summer, one of our amazing students, Taytum Schmidt, was diagnosed with Chiari with a Syrinx on her spine. Chiari is a condition in which brain tissue extends into the spinal canal and causes pressure in which can sometimes cause a Syrinx to form, which is a fluid-filled cyst on the spinal cord. She will need surgery to help her with this. Taytum has been so brave through all of this so far.

The students have been praying for Taytum at hallway prayer. We would like to support Taytum more here at school and, since September is Chiari Awareness Month, we are encouraging everyone to wear purple (the color for Chiari) on Tuesday, September 23. There should be no face paint or colored hair spray, but purple clothing would be great!

Students and staff will be learning more about this and we will continue to pray for Taytum and for her family.
