

RECOGNITION OPPORTUNITIES

Remsen St Mary's Schools Capital Campaign

Thank you for your interest in supporting our exciting journey of relocating our grade school and renovating our middle and high school. The updated school building represents our commitment to nurturing the next generation, ensuring they develop a strong foundation of faith and knowledge. Together, we are building a brighter future that is rooted in unity and guided by our faith.

All campaign contributions will be included on a donor recognition listing at the conclusion of the *We Believe...Our Faith, Our Family, Our Future* Capital Campaign. Additionally, donors will have opportunities to receive further recognition for their support.

Your gift to the *We Believe...Our Faith, Our Family, Our Future* Capital Campaign will make a profound impact for our shared Catholic faith to blossom now and continue to thrive for generations to come.
