

A Campaign for Remsen St. Mary's Schools

# FALL 2025 CAMPAIGN UPDATE

As we begin a new school year, we celebrate a major milestone in our campaign journey. Thanks to the incredible generosity of our community, **we've raised enough to fully fund the construction of our new elementary school building**—a transformative step toward unifying our campus and enhancing learning for all students.

» *But we're not done yet.*

## NEXT GOAL: \$10 MILLION

With the elementary school project moving forward, we now turn our attention to the next phase: **renovations to the Middle/High School building**. Our updated campaign goal of \$10 million will allow us to:

- Add air conditioning
- Update the electrical wiring
- Install a fire suppression system
- Paint to provide an updated look

**These improvements will benefit every student—from preschool through high school**—and ensure our facilities match the excellence of our academic and spiritual programs.

## YOUR SUPPORT IS CRUCIAL

Many generous donors have already stepped forward, but **there are still many in our community who haven't yet had the opportunity to participate**. Every gift – large or small – brings us closer to completing our vision for a unified, modern, faith-filled campus.

Gifts can be fulfilled over a three-year pledge period, offering flexibility while making a lasting impact. A pledge card is included below, and you can also give online via Venmo (@RemsenStMarys-Schools) or with a grain or stock donation.

## TOGETHER, WE BUILD THE FUTURE

With your partnership, we are confident we can reach our \$10 million goal and complete the transformation of Remsen St. Mary's Schools. Please prayerfully consider how you might contribute to this next phase. Thank you for being a vital part of our school family. I look forward to what we can accomplish together in the months ahead.

God Bless,

*Very Rev Timothy Pick V.F.*
