Dominic Deliberations

The Feast of the Ascension is May 29 which begins the Nine Day Novena of the Holy Spirit, the Church waiting in anticipation for the coming of the Holy Spirit at Pentecost. If you are interested in learning more about the Holy Spirit please tune in to The Wild Goose on www.FORMED.org which is a fourteen part series on the Holy Spirit. The men's bible study on Wednesday nights will begin watching this series, please consider joining them or creating your own small group to watch and discuss these videos to grow in your knowledge of the Holy Spirit.

Prayers and blessings for a good and safe Memorial Day Weekend. We remember and pray for those men and women who have given up their lives in service of justice, liberty, equality, and pursuit of happiness. We also thank those men and women who are veterans that have served in the United States Armed Forces. The freedom that we enjoy has come at a great cost to many people who chose to give their lives in service of a greater good and to them we are indebted. These people that we remember on Veterans' Day, don't only want us to thank them, but to do something positive with the freedom that we have been given. We must continue to fight for true religious freedom, justice according to natural law, and respect for all human life from conception until natural death. "Here, particular mention must be made of the Encyclical *Libertas praestantissimum*, which called attention to the essential bond between human freedom and truth, so that freedom which refused to be bound to the truth would fall into arbitrariness and end up submitting itself to the vilest of passions, to the point of self-destruction. Indeed, what is the origin of all the evils to which *Rerum novarum* wished to respond, if not a kind of freedom which, in the area of economic and social activity, cuts itself off from the truth about man?" Pope John Paul II *Centesimus Annus*, 100th Anniversary of *Rerum Novarum*

Pope Leo XIV is a missionary that cares about Social Justice which finds its voice in a profound way in the document from Pope Leo XIII called *Rerum Novarum*. It seems that our new Pope took his name as a continuity with the work of Pope Leo XIII. Fighting for Social Justice which is rooted in the truth of the Gospel is a way to bring Peace into our troubled world starting at the local level. At the heart of this is using our Freedom according to the truth.

Prayers & condolences to all those affected by the tragedy that occurred on the UWP campus this past week. Jesus brings a Peace that the world can't give as he says "Peace be with you". He desires to bring his Peace to this tragedy.

God bless,

Fr. Greg
