

What is a mature evangelizing community?

A mature evangelizing community is a committed group of missionary disciples who strive together to respond to the work and grace of God by living out the Church's mission of evangelization and applying the disciple-making process to individuals and every aspect of parish life. As a result, new disciples are raised up, and missionary disciples are equipped and sent out to transform the world.

Acts 2:1-4

"When the time for Pentecost was fulfilled, they were all in one place together. And suddenly there came from the sky a noise like a strong driving wind, and it filled the entire house in which they were. Then there appeared to them tongues as of fire, which parted and came to rest on each one of them. And they were all filled with the holy Spirit and began to speak in different tongues, as the Spirit enabled them to proclaim."
