Children's Offertory

Last weekend was the kickoff of our children's offertory collection. The collection will allow our children to place their own gifts to God in the Offertory basket each week. This program is NOT to raise money for our parish. We want to share in teaching children the joy of giving, to be good stewards of our treasures and give back to God out of gratitude. Whether a child gives a nickel, dime, quarter or even a dollar, this project aims to help our children hear the stewardship message, that God has given them many unique and special gifts. Jesus loves them just as they are and wants these gifts shared with the rest of the world through time, talent and treasures. The proceeds from this children's offertory will continue to the ongoing walkway project for the playground and floodplain. The children will have the opportunity to witness the tangible results of their generous donations as the walkway project progresses. We look forward to continuing this project weekly and will be reporting the monthly results in the future.
