If not a St. Jude's ministry, how did the service you perform build the Kingdom of God?

Please discuss both of your service projects while answering the questions below and write 2-3 sentences per question. Feel free to type your responses on a separate piece of paper and attach it to this form.

What was the most memorable part of this service?

What did you learn about yourself from this experience?

How did you experience God in your service? What connection(s) did you make with your faith?

Consider the Corporal and Spiritual Works of Mercy (found in your Catholic Faith Handbook under Catholic Beliefs and Practices). Do any of these apply to the service you did? Would you classify your service as an act of charity or of justice?

Why do you think other people should do this type of service?

How do you think this service helped you prepare for Confirmation?

Because we are a people of service and need to make service a part of our faith life, what types of continual service will you be doing?
