Active participation in Mass is key in raising children Catholic!
Parents are the first and most important teachers of the faith!

To make the most of Family Faith Formation, we encourage your family to:

1. Celebrate Mass together: fully participate as a family in the heart of our Catholic life
2. Engage in the lessons: work through the activities with your child using the parent guide as your roadmap
3. Pray as a family: make prayer a daily habit, good habits lead to virtue

Together, let's grow faith-filled families rooted in Christ!
