

ANCHORS IN OUR PARISH CAMPAIGN

Parish Hall & Church Renovation Update

Thanks to your generosity, the *Called to Renew Campaign* has blessed our parish with:

- Renovated bathrooms
- A new prayer labyrinth
- Enhanced landscaping
- Tree removal for safety and visibility
- Roof repairs and a new church sound system

Thank you for your patience as these important projects have been completed!

Through the ***Anchors in Our Parish Campaign***, we continue the renewal of our parish hall. To date, we have raised **\$650,000**, fully **funding Phase I**, which includes:

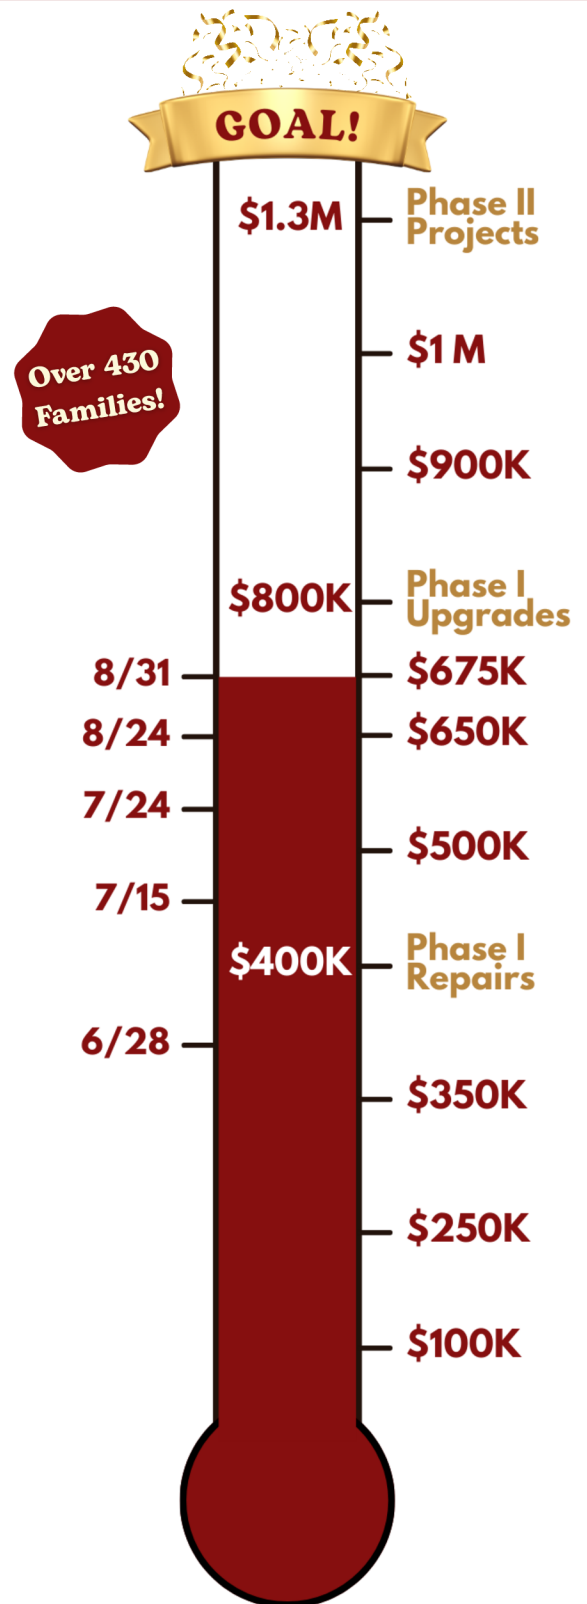

- A modern audio-visual system for events, classes, and presentations
- Fresh paint, new flooring, and updated lighting
- Flexible learning spaces for faith formation, meetings, and retreats
- Improved storage and a more functional layout

Looking Ahead – Phases II & III

- **Interior Improvements:** Hall décor and crucifix installation, construction of a catering kitchen, and new school spaces for robotics and music
- **Exterior Enhancements:** Outdoor Stations of the Cross, rose garden renovation, upgrades to the hospitality and large patios, and a designated recycling area

Our total goal is **\$1.3 million by January 25, 2026**. With your continued support, we are confident we can bring this vision to life and create a lasting legacy for the future of our Saint Jude Parish Family.

To donate, use an envelope, give online via [WeShare](#), or scan the QR code.

“Anchored in Christ. Committed to Community.”
