Dear Our Lady of Refuge Families,

As I came and joined you in our Parish Church, I was thinking about our Patroness and I came across the below article published in the year 1968. I would like to share it with you this week:

The Blessed Virgin is honored under many titles. The reason for this is due to the fact that all her dignity and greatness cannot be expressed or understood in one name. She is like a diamond with many facets. In order to give her due honor, the Church celebrates many of her noble qualities under a separate title and often on a separate feast day.

Our parish is dedicated to the Blessed Mother under the title, "Our Lady of Refuge." What is the meaning of this Title? A refuge is defined first as a shelter or protection from danger or distress; second, that which shelters or protects. The word comes from the Latin -"re," meaning "back," and "fugio," meaning "to flee".

The word "refuge" is frequently connected with ships that are being tossed about in a storm. The Captain immediately directs the course of the ship to a harbor or cove wherein the ship will be sheltered. Such a spot is a refuge.

What is true of ships is also true of our lives. At times people can be buffeted by temptations — by sin — by confused thinking. They need a refuge — a place of calm; they need to get out of the winds of living.

In the Litany of the Blessed Mother one of the invocations is, "Refuge of sinners, pray for us." How wonderful it is to know we always have a Refuge — a Mother — to harbor us during life's storm. "Our Lady, Refuge of Sinners." What a beautiful title! She, who is God's Mother and our Mother, is our Refuge, our Harbor. Her Divine Son seeks the sinners who are lost. His Mother guides them to Him. She stretches out her hand and leads them to an all-forgiving Son Who is God.

We are happy that our parish and parishioners are dedicated to her under this title of "Our Lady, Refuge of Sinners."

Why Be Registered?

Are you registered at Our Lady of Refuge parish? Sometimes, people attend Mass at this parish for several years, but never officially register. Registering in a parish is a declaration of your desire to be part of a Catholic community and to make a commitment to the life of Our Lady of Refuge community.

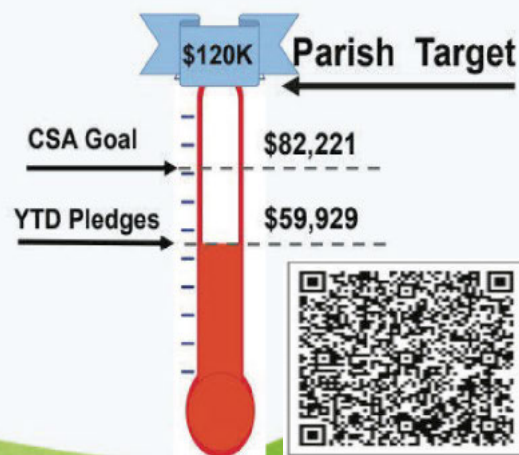

Being a registered parishioner makes the process much easier when it is time for baptisms, Faith Formation registration, weddings, when asked to be a baptismal or Confirmation sponsor, and even funerals.

If you would like to register in the parish, please call the Parish Secretary at (248) 682-0920. We welcome you to our parish family!

We Believe in the True Presence in the Eucharist!

Eucharistic Miracles are present in our daily lives. When we come and consume our Eucharist, Jesus is literally running through our bodies, minds and most especially our hearts. We become His ambassadors, His disciples.

I have shared some very special Eucharist testimonies with you in past bulletins and my hope is you will share yours. Please take paper from the binder and write out your experiences and insert them back into the binder located on the shelf in the gathering space. If you would prefer, you may send it to me via email and I will print and place in the binder for you to lblank@olorcc.org.

There will continue to be copies of the Beautiful Eucharist available in a basket in the gathering space. Here you will read about other witnesses of Eucharistic beauty.

My wife Michele and I were blessed to attend the National Eucharistic Congress, from July 17-21, in Indianapolis. 60,000 plus faithful Catholics flooded into downtown Indianapolis to praise, adore, and celebrate the True Presence of our Lord and Savior Jesus Christ in the Eucharist! This experience has heightened my respect and devotion to the Blessed Sacrament and given me a renewed excitement about the state of the Catholic Church in the United States! God Bless!

HERE ARE SOME PICTURES FROM THIS HISTORIC EVENT!

One of the more powerful moments as all 60,000 attendees knelt in total silence in Adoration of our King.

RELIGIOUS EDUCATION

TONY KREUCHER

248-418-7242

RE@OLORCC.ORG

Experience is often the best teacher. The more we can experience God's love for us, the more we can return his love by acting in obedience to his will and his plan for our lives which is both better than our own plans and more powerful than we have the ability to alter. This is a good thing, that we are not strong enough to ruin God's plan for our life.

The numbering and division of the commandments can differ. This is widely known as the seventh commandment, but is eighth in this list.

You shall not steal.

Another brief, direct commandment. Generally, we think of this as taking something that is not ours or that we did not purchase. We also tend to think of someone in need or less well-off who wants to improve their quality of life or project a "better" outward appearance. At an individual level, this commandment refers to property or possessions. If you borrow a tool from your neighbor, you should return it. One group of people or a single birthday party should not dominate or control the use of a public park.

However, there is another way of understanding stealing: withholding from someone what they have earned. This, clearly, works in the opposite direction. Someone in power or with authority - someone who is wealthy - keeps what rightfully should be given to another, especially something that person has earned.

The Catholic Church has often entered into the debate between the worker and the owner of the means of production. Among other things, workers are owed a living wage by their dignity as a human person. The work itself, that the workers are asked to do, should also support and promote human life and dignity. Corporations and companies as a whole, or owners and CEOs as individuals, have a moral obligation to act in the best interest of the worker as a priority over the bottom line or the shareholders.

Expanding our view of this commandment, it could include extortion, blackmail, entrapment, embezzlement, tax evasion, and similar acts. Of course, it is easier to think of these illegal actions, and other forms of theft, than it is to think of this commandment as ensuring everyone has what they need. There is an aspect of this commandment that involves respect for your neighbor and care or concern for their wellbeing.

RELIGIOUS EDUCATION UPDATES

New registration forms are available on the parish website for religious education classes Monday nights 6 -7:30 starting in September. First Communion and Confirmation registration are also updated. Payment is required at the time of registration. Please remember that in the Archdiocese of Detroit children should have a prior year of instruction for First Communion and Confirmation is a two-year program.

We are also seeking at least two catechists for this year's classes, one in the primary grades and one in middle school. Prayerfully consider this opportunity; we appreciate your time and effort.

It is wonderful to be able to sponsor the Diocesan Mission Cooperation Appeal in our parish again this year. On Sept. 21-22, 2024, we will be honored to have Sr. Judith Laffey, SC, with us to share the good news of the mission works of the Sisters of Charity of Seton Hill in China, Korea and Ecuador.

The Sisters of Charity of Seton Hill first missioned four sisters from Pennsylvania to Korea in 1960. At that time it took a month for the sisters to travel by freighter ship to Korea, now it takes only hours by airplane! As our world grows smaller, our hearts grow larger and we reach out to others.

We are pleased to have this opportunity to learn about the missions and to help with our prayers and donations. As the sisters continue to bring the love of the Lord to the people they serve, they need our help—they cannot do it alone! Wherever we may live we are all missionaries and can help in different ways!

Please give from the heart on September 21-22, 2024 to help spread the Gospel throughout the world and assist the Sisters of Charity of Seton Hill to share God's love with those in need. Your prayers and donations will bring blessings of hope and healing! God Bless You for Your Generosity!

His Faithfulness Endures Forever

The Eucharistic Revival movement has been an act of faith from the beginning:

- Faith that Jesus desires to reveal himself more deeply in the Eucharist.
- Faith that he has the power to heal, restore, and unify his people.
- Faith that when the Lord extends an invitation, he will fulfill his promise.
- Faith that when we prepare tinder, he will set it ablaze with his love.
- Faith that when we gather in his name, he will show up.

And **Jesus did show up!** In an unprecedented [National Eucharistic Pilgrimage](#), Jesus blessed the United States with his Real Presence in the shape of a cross—forming a giant Benediction over our whole nation. Lives were changed, hearts were ignited, and this powerful witness of Eucharistic faith continues to bear fruit in communities across the country.

This past week, 60,000 Catholics gathered in Indianapolis for the first [National Eucharistic Congress](#) in nearly a century. Together we anticipated a fresh outpouring of grace and asked Jesus to set us ablaze with Eucharistic love. And **we were not disappointed!**

God showed up in power: lavishing his love upon his people, pouring out his holy fire, filling us with hope, and igniting a zeal for his Kingdom that has already propelled our Church into a new season of apostolic mission.

Please join us in praising the Lord for his unfailing generosity.

This movement is not over. We can't wait to see what he has in store for the third year of the Revival—our Year of Mission! Stay tuned to find out how you can be a part of *Walk With One*, the flagship initiative for this next chapter. Come, Holy Spirit!

More than 2000 members of the Clergy were in attendance at the NEC. Here are a few of them during the Eucharistic Procession.
