

Respect Life Month

is observed each October by the Catholic Church across the United States. As part of our celebration of this month, the Diocese of Madison takes up the Respect Life Collection, which supports pro-life ministries right here in our diocese. When you make a gift to this collection, you help protect human life, from conception to natural death, and promote the dignity of the human person. With your support, we can make real and lasting impacts in the lives of many people.

For more information on the Respect Life Collection, contact the Diocese of Madison at 608-831-3042. To make a gift, visit: madisondiocese.org/respectlife
