Mission Statement:

The Religious Education Program at St. Elizabeth Ann Seton shares in the Church's mission to teach, serve, and build community. Recognizing the ongoing process of formation, it seeks to reach out to all parishioners, as well as those seeking admission to our Christian Community, in order to encourage and challenge them to live the Gospel. To this end, the faith formation of children, adolescents, and adults is nurtured through a variety of programs which are designed to enrich and enflame the minds and hearts of the whole community with the Word of God. Through its program of catechesis, St. Elizabeth Ann Seton Church invites its parishioners to share in a deeper relationship with Jesus Christ and to accept an active participation in the development of the Kingdom of God through a life of justice and loving service.
