# EASTER SUNDAY OF THE RESURRECTION OF THE LORD

## APRIL 20, 2025

Dear Friends in Christ,

**Happy Easter! He is Risen! Alleluia!**

A few years ago in seminary I was able to spend an entire night, with a group of my fellow seminarians, in the Church of the Holy Sepulchre in Jerusalem. It was an overnight "lock in," no sleeping or eating allowed--we could walk around and pray--the doors would open again at 6:00 a.m. It is a vast church with all sorts of rooms and side chapels. There are many interesting places to pray within that church.

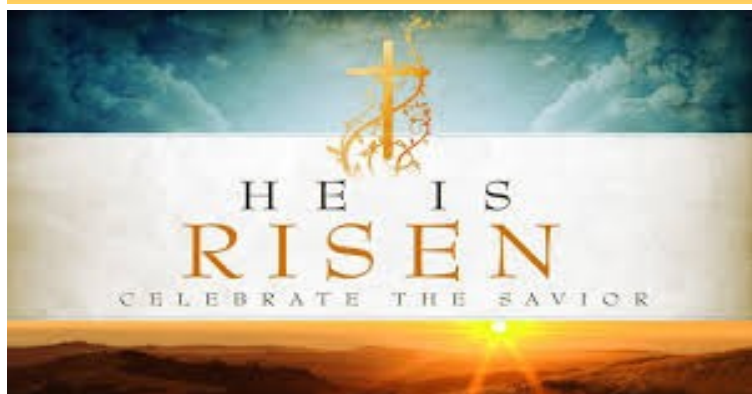

The spiritual center of the Church is the place where you can find the remains (stone fragments) of Our Lord's Tomb. Around those pieces of stone is a tomb-like room where a few people can enter and pray. I spent most of the night sitting just outside that space and looking at the empty tomb. In my prayer I heard the Lord's quiet voice: "you came here to see nothing!"

Indeed there is nothing to see there. Jesus is Risen and ascended to heaven where he lives now forever. As he told his disciples..."I am going to the Father," and... "it is to your advantage that I go away." Now, for those with Easter faith, we experience Jesus in a different way than seeing him directly: He is in the poor and afflicted, in the joyful voices of children, in the elderly who (despite their loneliness) have held onto their faith, in the person who challenges us to be better, in the monotony of our duties and work...above all in the Most Holy Eucharist--the Bread of Life.

As the tomb is emptied so the world begins to fill with the Gospel message and the power of the Holy Spirit. Have we let that message penetrate our hearts? Do I acknowledge the Holy Spirit dwells (or at least wishes to dwell!) in me? Jesus said "If you believe you will see the Glory of God." This Easter, Lord, increase our faith so that we may see you!

with Easter Faith,

Fr. Luke

"We show our respect for the Creator by our stewardship of creation. Care for the earth is not just an Earth Day slogan, it is a requirement of our faith. We are called to protect people and the planet, living our faith in relationship with all of God's creation. This environmental challenge has fundamental moral and ethical dimensions that cannot be ignored."

**ST. JOHN T-LOOP SYSTEM:** Hello all, I wanted to add a brief addendum regarding the new t-loop system at St. John the Evangelist. While the system primarily works with certain types of hearing aids, anyone can hear the system for themselves. There are two headsets that can be borrowed. They are located in the sacristy. All you have to do is turn it on, put on the headphones, and sit in the pews, and you'll hear the system for yourself. Just make sure that you keep the pack upright so it can pick up the signal. If you don't like using those headphones, you can bring your own. As long as they are wired and use a standard headphone jack, they should work when you plug them in.

**Give them a try!**
