

2025-2026 St. Luke School Supply List

The following is the supply list for all students. ALL students are asked to have a backpack to protect books for transporting to and from school. Please do your best to send the complete supply list to school with your student in the fall. These supplies are the tools your student needs to do his/her work in an organized fashion. When a student does not bring the proper supplies the burden of providing them for that student falls to someone else.

If you would like to make a donation of any of the following to be used in the classrooms, it would be greatly appreciated: large or small paper plates, plastic forks, plastic spoons, napkins, or cups. THANK YOU!!

4 YR KINDERGARTEN - Items listed with an "L" need to be labeled before bringing to school.
