

ST. JOHN CHURCH

Schedule for depositing & counting St. John's collection

Dear St. John's Money Counters,

I hope you are well and enjoying the beautiful fall weather.

Please call me at the parish office at 994-2526 or my home 994-2720 or email sunday7@tds.net if there are times that you are not able to deposit the collection. You may count the collection at People State Bank during the week when it works out the best for you. Please call me if you have questions.

Thank you very much for your help with the collection.

**Sincerely,
Julie M Jentz**
