

St John's Council Minutes - August 5,2025

Present: Father Sudhakar, Charlie Martin, Ray Breuer, Leo Breuer, Kate Neises, Cindy Morgan, Brittney Herbers.

Father Sudhakar relayed a Thank you from St Mary's Bloomington for the \$2000 school donation.

We went over the roofing quote that we received from McGregor Roofing for the new leaking area. We did not get the written quote for the other two areas. We approved the \$824 quote we were given and Father Steven will sign off after council approval. It is important to keep the process moving so we don't get delayed because of cold weather.

The garden caretakers want to remove the two burning bushes before they start spreading. We will discuss further, not urgent now.

A ladder, snow shovel, and other winter supplies need to be moved. The historical church paintings on the basement wall need attention. There are some chalk boards, Christmas decorations, and other items in the basement that can go to auction or sale by CCW. There is a spot in back of church where a clock used to be, with an exposed box. Cover or replace clock.

Went over festival tasks.

Closed with a prayer.

Next meeting Sept 16,25
