STAFF TRANSITIONS & ADDITIONS

There is a time for change, and many changes are taking place this summer at Mary, Queen of Peace.

Kari Doyle, who has served as Coordinator of Administrative Services and Safe Environment for more than three years, will be transitioning to Mary, Queen of Peace Catholic School effective July 1 to serve as the front desk receptionist. We thank Kari for her dedication and commitment to our parish family; she has acted as the face and voice of the parish, fostering life-changing encounters with Jesus through her warm welcome and radical hospitality.

In addition, parishioner **Lori Kilgore** will be joining the parish and school team as **Director of Development**, a leadership position responsible for overseeing and implementing fundraising strategies, giving opportunities, and engagement activities to support the parish's mission and financial goals. Part of Lori's role will focus on legacy giving and the ongoing financial vitality and viability of our various ministries. Lori and her

husband, Patrick, have been part of the MQP family for many years. She has most recently served in development at St. Paul's School. We are looking forward to having Lori share her many gifts with our parish and school family!

Finally, **Audrey Huck** will be joining the Mary, Queen of Peace pastoral team as the **Co-Director of Children's Formation**, working with Kelle Serio on all aspects of family faith formation, sacramental preparation, formation for children in OCI, as well as coordinating the various children's ministries of the parish. Audrey will also serve as the **Director of Marriage, Family Life, & Women's Ministry**. She will oversee programs, resources, and initiatives to support marriages and families at MQP. Audrey will also focus on fostering spiritual growth, community, and support among the women of the parish by developing and overseeing programs designed to encourage women in their faith and spiritual development – building a strong community among women at MQP.

Let us hold each other in prayer during this time of transitions and new beginnings. Mary, Queen of Peace, pray for us!

FROM THE PASTOR

"God does not abandon us but always seeks, waits for, and accompanies us, even to the point of placing Himself, helpless, into our hands".

- Pope Francis on the solemnity of Corpus Christi, 2024

Jesus quite literally places himself into our hands. And into our mouths.

On this Solemnity of the Most Holy Body and Blood of Christ, let's stop and think about the radical meaning of what our late Holy Father said, above: Jesus Christ, truly and really present in the sacrament, entrusts his mission to you.

When the Holy Eucharist is placed into your hands or upon your tongue, you say 'Amen,' and with that you publicly affirm your belief in and commitment to Christ. What does that commitment to Christ look like in everyday life? It might be helpful to reflect upon these questions:

Do you like Jesus or do you love him? Do you like Jesus because of his ideas, or what he says, or how he acts? Do you strive to be like him or just admire him from afar? Are you a superficial fan or a true follower?

Awhile back, I heard a Catholic podcast where the guy said something that really surprised me: "Sometimes," he said, "I think Jesus is sick of believers, when really, He wants more *followers*."

Jeff Cavins, in his book "The Activated Disciple," says something very similar when he offers this observation: "There's a big difference" he says, "between being a fan of Jesus — and being a follower. There is a danger in simply being someone who may be 'on fire,' loves the faith, watches and listens to Catholic radio and TV, orders Catholic CDs and even has Catholic bumper stickers." These are all VERY good things, of course — but "the danger," he says, "lies in the fact that you can, without knowing it, exchange a dynamic, daily relationship with Jesus with simply consuming the faith."

If we are honest, all of us can see this tendency in our own hearts.

We happen to really like what Jesus says and does. We are inspired by His example.

When He says: "Love your enemies," we are captivated by the beauty and the power of His words. When He says: "There's no greater love than to die for your friends," we feel a surge of desire to do the same. His parables make us think about the ways we could be more merciful, more humble, more selfless. When He favors the lowly,

the sick, the poor, the powerless, the widow and the orphan... when he tells us: "Deny yourself, take up your Cross, and follow me" — there's a deep and abiding sense that this is the way we want to live and act all the time.

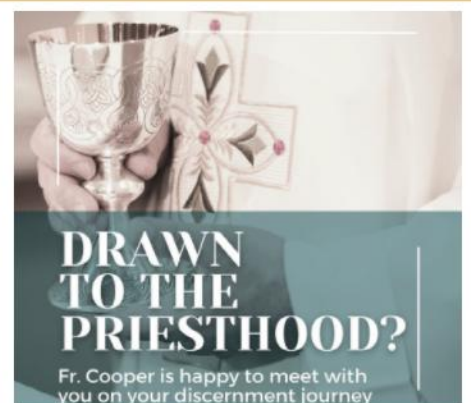

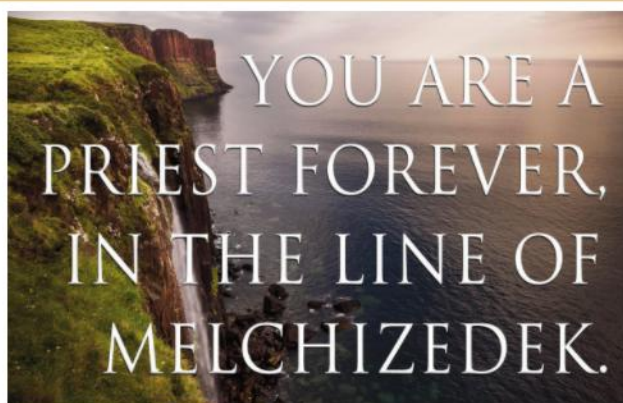

But if we are being honest, we don't actually do it.

Rarely do we love people the way they deserve to be loved, the way that God loves...

At some point in life, we must each decide whether we just "like" Jesus or go beyond that to loving him. So, instead of just liking what he does or says, you want to become like him. You want to respond to his call and follow him. You want to be a true disciple, with every joy and challenge that discipleship brings.

The more you encounter Jesus Christ in the Eucharist, the more you understand the 'Amen' you give, the deeper you will fall in love with him. He already loves you more than you know.

He has given you his very body and blood.

PARISH LIFE

In early June, the MQP campus was bursting with energy, laughter and the joy of VBS! From the moment our young disciples arrived, they were captivated on their “**Journey to Judea**” where every lesson, skit, song and even snack pointed us back to one simple truth: Jesus invites us to sit with him, and when we do, **everything changes**.

Each day brought a new invitation from the heart of Jesus.

- **At Jesus’s table, all are welcome.** Our children learned that no matter who they are or where they come from, there is always a seat at his table.
- **At Jesus’s table, there’s more than enough.** Through stories and activities, they discovered the abundance of God’s love.

- **At Jesus’s table, everything changes.** As they sang and danced, they came to know that encounters with Jesus transform our hearts and lives.
- **At Jesus’s table, he shows us love.** Whether during crafts or the spirited games, the message was clear. Jesus loves each of us fully and freely.
- **At Jesus’s table, we can invite others.** By week’s end, our young people were not just guests at the table. They were ready to share the invitation with others.

Thank you to everyone who made this week possible. May we continue to live with open hearts and open hands, always remembering that there is a place for everyone **at the table with Jesus**.

AROUND THE ARCHDIOCESE

JUBILEE 2025: PILGRIMS OF HOPE

The Jubilee Year 2025 has begun! Every 25 years, the church calls for a jubilee to celebrate and draw us deeper into our faith. For the 2025 Jubilee Year, Pope Francis has selected the theme, Pilgrims of Hope. It is his desire that this Jubilee year may contribute to restoring a climate of hope and trust around the world and allow for each of us to experience an encounter with Christ through pilgrimage to sacred spaces and in meeting the poor, sick, and vulnerable that we are called to serve.

In the Archdiocese of New Orleans, we have designated 12 churches as places of pilgrimage and will be sharing more information about the Jubilee, its significance, and ways to observe and celebrate it throughout the year. It is our goal to encourage all of the faithful to participate in the Jubilee throughout these next 12 months so that each may truly have an encounter with Christ Jesus that leads to a renewal of hope. STEWARDSHIP

WHAT IS YOUR LEGACY?

Each of us has been blessed by God and entrusted with many gifts from Him. We are all called to receive God's gifts gratefully, to cherish and tend these gifts, to share them in justice and love with others and to return them with increase to the Lord. Part of our responsibility as stewards of God's gifts includes what is sometimes referred to as our "final act of stewardship" – the creation of our estate plan.

Our estate plan is part of our legacy, enabling us to use those gifts that have been given to us to provide for our loved ones in the future. We also have the opportunity to give witness to the importance of our faith and express our gratitude to God by making a gift to the Church that strengthens our parish for future generations.

If you are interested in a legacy gift, please contact Jen Coco at jcoco@maryqueenofpeace.org or Joe Galloway at the Catholic Community Foundation: jgalloway@ccfnola.org.

STEWARDS OF THE MONTH

Mike and Vicky Rohm share their time and talent joyfully and plentifully! They are always willing to lend a hand with our Quick Response Team, the Knights of Columbus, and in many other ways.

If you have a suggestion for Steward of the Month, please contact Karen Baker at kbaker@maryqueenofpeace.org

JUNE IS THE MONTH OF THE SACRED HEART

Sacred Heart HOME ENTHRONEMENT

Enthroning the Sacred Heart of Jesus is a way to continue on your spiritual journey. The Enthronement is a way to increase your love and devotion for Jesus and bring abundant graces upon you, your family, your friends and all aspects of your life! You can enthrone the Sacred Heart of Jesus in your home, your office, over your vocation, over your business....allow Jesus to be King and Head of your life!

WHAT IS THE ENTHRONEMENT

- The social recognition of the loving Kingship of the Heart of Jesus in the home and all society.
- A ceremony during which Jesus offers you His Heart and you give Him yours in return.
- A ceremony that takes place as an act of homage offered to Jesus Christ, the King of Kings.
- You give the Sacred Heart of Jesus sovereign authority as king and head of your family.

Interested in having your home enthroned please contact
