

Christian Service Program

Dear Parents,

We are excited to launch this month's Christian Service Program, and we have streamlined the process to respect your busy schedule and reduce household paper clutter.

Instead of sending home loose papers that easily get lost in backpacks, this month's **September Christian Service pledge is completely digital**. This change will save you time, eliminate paper waste, and keep your kitchen counters clear of extra clutter.

Each student is encouraged to take a few minutes to reflect on how they would like to give back to our community. Instead of filling out a paper form, students can now submit their ideas—using words or drawings—directly through our online portal.

Here is what you need to know:

- **The Goal:** Students reflect on service activities they are excited about and submit their pledge online. [Click Here: Service Pledge](#)
- **The Reward:** All digital submissions completed by **September 30th** will be automatically entered into our first monthly prize drawing on **October 1st**.
- **The Impact:** A quick, meaningful conversation with your child about helping others—without any forms to print, sign, or return to school.

We deeply appreciate your partnership in making this program a success for our students and school. If you have any questions, please reach out to the Christian Service Committee or our

parent volunteers, **Natalie Reibert** and **Erica Arrington**, at npyburn@gmail.com

In Christ through Mary,
