Dominic Deliberations

Dear Parishioners,

The Installation Mass last weekend was a great and beautiful celebration, a word of thank you to everyone who played a role in the celebration for the liturgy and the reception afterwards. I want to thank all the individuals that have served on the Transition Team and Pastorate Finance Council the last three years to help us get to this point. It marked a very historic moment to celebrate the individual church communities and the rich history of faith that make up St. Dominic Parish that Venerable Fr. Samuel Mazzuchelli strategically established. It also marked the beginning of the new parish, working together to build a Catholic Faith Community for the future. In a way we are being tasked to build upon the example of Fr. Samuel Mazzuchelli, using him as inspiration for the new beginning of the parish. I was very edified by the number of people who came to the Mass and stayed for the breakfast afterwards. It gave me a strong reassurance that I have the support and dedication of many people to help me in my duty to lead the parish and make Jesus Christ known and loved. I found the readings for the weekend focusing on forgiveness to be a lesson, as we experience pain and frustrations of merging, how important forgiveness is to building a bright future of faith built upon the firm foundation of charity, mercy, and forgiveness.

The priests of the diocese will be attending the Annual Presbyteral Assembly September 29th-30th. As a reminder the typical parish Masses will be canceled Tuesday and Wednesday mornings to allow us priests to be together for these days of prayer, fraternity, and formation. If there is an emergency please contact the parish office or one of us priests and we will do our best to respond.

Our schools are off to a strong start, thank you to our principals, teachers, and volunteers that have helped the school year get started well. We have roughly 320 children attending our three Catholic Schools, it is an important ministry that is being done in the parish. These children add so much to the church and community and will continue to play an important role in the future. Thank you for all your support. Religious Education will be getting started as well and we are grateful to those who lead and teach Religious Education as well.

God bless,

Fr. Greg

In Recognition of our Nation's

250TH Anniversary

Patriotic Rosary

Thirty years ago, the founder of Caritas and the Community of Caritas, also known as, a Friend of Medjugorje, was visiting Independence Hall in Philadelphia, the site of our nation's birth, to pray for our nation's conversion and re-birth. Feeling that this was holy ground, he prayed a Rosary and felt the Holy Spirit's powerful presence. Since then, many connections of Our Lady's involvement in the birth of America have been attributed to the Grace given from that Rosary.

Joseph & Deacon Larry, The Key of G, The Sunshine Band and everyone else who made this event successful. A total of 200 adults and children were fed. Final numbers will be shared once all invoices are received.

Many thanks to all who donated this past summer toward the St. Rose Maintenance Projects. A total of \$17,065 was collected. The amount received for the garage roof is \$12,515 (actual bid of \$27,600 which is more than originally stated since it was decided to do a sloped roof); \$3,200 was received for the painting church trim (actual cost was \$24,900) and \$1,350 was received for the crack fill/restripe of church parking lot (actual bid \$5,000). The garage roof and parking lot are scheduled to be done soon and the painting of church trim was completed early summer. If you still wish to donate toward these projects you may drop off your donation to the parish office. Thanks again for your generosity!
