"There was a rich man who dressed in purple garments and fine linen and dined sumptuously each day. Dominic Deliberations

Dear Friends in Christ,

This weekend across the St. Dominic Pastorate, I have asked all of our priests to preach on the same Gospel theme: stewardship. The Gospel of the Rich Man and Lazarus reminds us that God has entrusted us with gifts—our time, our talents, and our treasure—and calls us to use them not only for ourselves but also for the good of others.

Stewardship is not simply about filling needs. It is about discipleship. It is our chance to respond to the Lord with gratitude, offering back a portion of what He has first given to us. Each of us has different ways of living this out, and that freedom is part of the beauty of the Body of Christ. Some parishioners give faithfully through our online platform. Others choose to support teacher salaries and benefits, Catholic schools, parish maintenance, or the care of our cemeteries. Many step forward to sponsor flowers that beautify our churches, or to help send our youth to Catholic Heart Work Camp and Steubenville. Still others give to local charities or international missions. Each of these offerings reflects the unique call God has placed in our hearts.

The important thing is not that we all give in the same way, but that we each prayerfully discern how the Lord is calling us to share His gifts. Stewardship is not about losing—it is about gaining the joy of knowing that our blessings help build up His Kingdom.

If you would like to explore giving options, please scan the QR code. It will take you directly to our giving page with opportunities to support the mission of our parish and schools.

Thank you for your generosity and your witness of faith.

In Christ,

Fr. Greg Ihm

Parochial Administrator

Seeing Beyond Your Suffering

"There was a rich man who dressed in purple garments and fine linen and dined sumptuously each day. And lying at his door was a poor man named Lazarus, covered with sores, who would gladly have eaten his fill of the scraps that fell from the rich man's table. Dogs even used to come and lick his sores." [Luke 16:19-21](#)

From one perspective, Lazarus was existing in a very undesirable state. He was poor, starving, and miserable. He was covered with sores that dogs would lick. This is very descriptive language used by Jesus and it's helpful to do your best to imagine this miserable physical state that Lazarus was in.

The key to this story is that even though Lazarus was in a miserable physical condition, his soul was in the hands of God. We know that to be true, because we are told that when he died, he was "carried away by angels to the bosom of Abraham" ([Luke 16:22](#)).

This story provides us all with an opportunity to look at what is most important in life. The rich man had all he wanted in this life but clearly lacked charity on account of the fact that he ignored the physical needs of Lazarus. For that reason, the rich man was spiritually impoverished, whereas Lazarus was spiritually prosperous.

When you can keep your eyes on what is most important in life, spiritual wealth, it will make the many other hardships you endure less burdensome. Perhaps you will never be in the same physical condition as Lazarus, but you may encounter other great pains and hardships in life. When this happens, the tendency may be to become fixated upon those sufferings and to take your eyes off your interior union with God.

Reflect, today, upon how you would deal with living like Lazarus. Reflect upon what your own "sores" are in life. They may be varied in type, degree and number from those of other people's sufferings, but they will be encountered in your life. As you identify your suffering, turn your eyes from it to the presence of God in your soul, and allow His presence to fill you with the riches of His grace.

Lord, I offer to You my suffering and pain, my misery and hurt. Help me to always keep my eyes on You and to seek satisfaction only in the riches of Heaven. Fill my heart, especially, with love of You and charity for others so that I will be truly rich in what matters most. Jesus, I trust in You.

September 29: Saints Michael, Gabriel and Raphael, Archangels—Feast

The existence of the spiritual, non-corporeal beings that Sacred Scripture usually calls “angels” is a truth of faith. The witness of Scripture is as clear as the unanimity of Tradition. Who are they? St. Augustine says: “‘Angel’ is the name of their office, not of their nature. If you seek the name of their nature, it is ‘spirit;’ if you seek the name of their office, it is ‘angel;’ from what they are, ‘spirit,’ from what they do, ‘angel’” (St. Augustine, En. in [Ps. 103, 1, 15](#): PL 37, 1348). With their whole beings the angels are servants and messengers of God. Because they “always behold the face of my Father who is in heaven” they are the “mighty ones who do his word, hearkening to the voice of his word” ([Mt 18:10](#); [Ps 103:20](#)). As purely spiritual creatures angels have intelligence and will: they are personal and immortal creatures, surpassing in perfection all visible creatures, as the splendour of their glory bears witness.
