Dominic Deliberations

Blessed Pier Giorgio Frassatti and Blessed Carlos Acutis are being canonized September 7th 2025 at the Vatican. They are great examples to our youth of the possibility of sanctity and what it can look like. Let's ask for their intercession for our youth that they may come to know and fall in love with Jesus Christ and remain blameless in His sight.

Discipleship is at the heart of the gospel for this week and we are trying to respond to the call of following Jesus as true disciples. The parish staff will be journeying together as we grow more deeply in our Discipleship of Jesus over the next twelve weeks as we go through the Rescue Project. The monthly men's group is organizing a seminar to deepen their understanding of how to accompany others in discipleship. The goal is to do another pastorate wide bible study on some aspect of Discipleship and Evangelization during the school year, so please stay tuned as those details are organized and communicated.

Holy Ghost had a very nice and successful Labor Day Picnic, thank you to all the volunteers who made this event a great success and community event. Thank you to all the sponsors, donors, and participants.

As you probably know, this has been a sad and difficult 2 weeks in our diocese as one of our priests, Fr. Andrew Showers was arrested. Bishop Hying has been sharing what he knows about the situation in letters that are being sent through Flocknote and posted on the diocesan website. He will continue providing new information as it becomes available. Please know that I share your shock and distress about this situation and I ask that you continue to pray for everyone involved. The recent Catholic School shooting in a Twin Cities Church is cause for being alert and evaluating our safety protocols to help protect our children. I reassure you that our schools and churches are looking at and evaluating the effectiveness of our plans and protocols.

Evil is real and the enemy wants us to live in fear. We are called to be diligent and responsible but to cast out fear. We will never be able to protect against every risk but living in freedom allows us to respond more promptly and responsibly when dangers do begin to manifest themselves. Our hope is in one who conquers even in the face of death and assault.

God bless, Fr. Greg

September 8: Birth of the Blessed Virgin Mary—Feast

On December 8, the Church celebrates the Solemnity of the Immaculate Conception, highlighting the singular grace bestowed upon the Blessed Virgin Mary at the moment she was conceived. Church dogma states, "...in the first instance of her conception, by a singular grace and privilege granted by Almighty God, in view of the merits of Jesus Christ, the Savior of the human race, was preserved free from all stain of original sin, is a doctrine revealed by God and therefore to be believed firmly and constantly by all the faithful" (Pope Pius IX, 1854).

Today's Feast of the Birth of the Blessed Virgin Mary is celebrated exactly nine months after the Solemnity of the Immaculate Conception, just as Christmas is celebrated nine months after the Church remembers the Son of God's Incarnation on the Solemnity of the Annunciation. Only the three most consequential figures in the Bible receive the honor of a liturgical celebration to commemorate their births: Jesus, Saint John the Baptist, and the Blessed Virgin Mary.

Nothing is known for certain about the Blessed Virgin Mary's birth or of her upbringing, since the Bible only introduces Mary to us at the Annunciation. However, an early second-century apocryphal text called the Protoevangelium of James (The Gospel of James), paints a detailed picture of her conception, birth, early years, and betrothal to Saint Joseph. Though the account is not part of the canon of Scripture, it has been a source of reflection throughout the centuries and is the source of the traditional names of the Blessed Mother's parents, Joachim and Anne.

Regardless of whether the apocryphal Gospel of James presents accurate historical truths regarding the Blessed Virgin's conception, birth, and early life, it is not difficult to prayerfully ponder the importance of her birth and childhood. Saint Andrew of Crete beautifully relates that on this day, the "Creator of the world constructed His temple..." Mary is that temple, that Arc of the New Covenant, the tabernacle and first dwelling place of God Incarnate. Her soul was born pure, spotless, and holy. As she grew, she manifested every virtue perfectly. All who knew her as a child would have been deeply impressed by her sanctity.

Birthdays celebrate people. They are occasions to rejoice in and honor the whole life of that person. The other memorials, feasts, and solemnities of the liturgical year honor various specific aspects of Mary's life. Today's feast honors her whole life, her personhood, and the gift of who she was and is.

Dearest Mother Mary, Please pray that I will more fully imitate your many virtues, so that I can be a fitting instrument of your divine Son in the world. Mother Mary, pray for me. Jesus, I trust in You.

All Adults are Welcome!

The Mass is the most powerful prayer that exists. The Son of God physically enters the world at each and every Catholic Mass. But if the Mass is so powerful, why don't we *experience* it as powerful? Why do we—and the world—seem unchanged? The answer is simple: we don't grasp what's happening because we don't know enough about it. We don't change because we're unaware of the opportunity for profound graces. Many of us see the Mass as routine and ordinary. But if we understood it better, we'd know without doubt that the Mass is the most important thing in our lives.

THAT MAN IS YOU!

is an interactive men's program combining the best research from science with the teachings of the Catholic faith and the wisdom of the saints to develop the vision of man fully alive. By honestly addressing the pressures and temptations that men face in our modern culture, That Man is You! seeks to form men who will be capable of transforming homes and society.
