Our Values

Our youth ministry helps them connect with their spirituality, deepen their understanding of religious teachings, and establish a strong foundation for their lifelong faith journey. Youth Ministry encourages active participation in the church, fostering a sense of belonging and commitment among young people.

Our Ministry

Empowerment

The first goal of our ministry is “to empower young people to live as disciples of Jesus Christ in our world today.” Young people are “searching for a noble adventure,” a compelling and challenging vision of life, and a cause worth their commitment. They hunger to hear the Good News that finds response in discipleship.

Participation

Our ministry is to draw young people to responsible participation in the life, mission, and work of the Catholic faith community.” Young people have a hunger for connection, to be in a relationship, and to belong. Family, peers, school, youth-serving organizations, and church are primary connections for our young people.
