Dear God, I come before you at this moment. Please Enlighten what is dark in me, Strengthen what is weak in me, Mend what is broken in me, And revive whatever peace and love that has died in me. This prayer is for me, my family, my friends and even those who hate me.

# BUILDING A *Culture of life* IN OUR COMMUNITY

Life is under attack. We are working to build a culture that understands and defends the precious gift of life from the moment of conception. The divine worth of every human being is rooted in our Creator and what He says about mankind. We have the truth of God's Word to build a solid foundation for those who are struggling to see the plan for their own life or that of their unborn child.

Men and women struggling to see life beyond their current situation can find help and hope in the love of God. We are here to offer them hope, answer their questions, and help them see the many reasons to celebrate the miracles of new life that God has gifted them. Our pregnancy education and parenting program not only provides physical and practical help in difficult situations, but also for those parents who desire knowledge and wisdom to raise their little ones. Our men's ministry empowers dads in their role as fathers to their children. Our post abortion recovery program offers help and hope to those suffering from deep emotional/spiritual wounds from a past abortion experience through the grace and forgiveness of Christ.

Each building block in our ministry is centered around one idea. Every life matters.

Would you consider helping us build a culture of life in our community? What building block would you like to help place to create a culture of life?
