From Fr. Cole Webster

It has been a very busy week here in the Greater East Buffalo Family of Parishes! I am always astounded by how much we are able to accomplish together!

Thank you to our Administration Pillar for organizing our **Narcan and CRP Training** that was held on Wednesday, June 29th.

Thank you to all who helped plan and attended this year's **Corpus Christi Celebration**. I am THRILLED that every parish and worship site within our Family of Parishes was represented in the procession with either their parish banners or pictures of their patrons.

Following the Corpus Christi Procession and social, music lifted our hearts at St. Adalbert's as the **St. John Paul II Schola Cantorum** presented their concert *Source and Summit* evoking the teaching of the Second Vatican Council. "*The Eucharist is the source and summit of the Christian life.*" (Lumen Gentium #11)

By now most have heard about the Diocese of Buffalo's announcement to "**Rightsize and Reshape**" our diocese. I'm sure this is as much a shock to you as it was to me. The intention of the Road to Renewal was to form Families of Parishes so that with our limited number of clergy we could keep as many parishes open as possible. However, being under financial scrutiny as part of the Chapter 11 process, it is evident that we are still living beyond our means. In our *diocese as a whole*, 59% of parishes are operating in the red. Within our own Vicariate, 47% of our parishes report a negative operating balance. We have spent the past year working tremendously hard coming together as a Family of Parishes. Now let us pray for and support one another when our family is needed the most!

Are **YOU**....

- Interested in becoming a Catholic?
- An adult who has never been confirmed?
- Interested in a wedding or a convalidation?
- Someone who needs an annulment?

If so, please contact Fr. Cole in your parish office or email him at revcwebster@gmail.com.

The Promised One By Dr. Scott Hahn

In today's Gospel Jesus has just been healing and casting out demons in Galilee. Along with the crowds, who flock to Him so that He can't even take a break to eat, come people who do not understand what He is doing. Even His friends think He has lost His mind and needs to be taken away for a while. But the scribes who came down from Jerusalem are not just honestly mistaken; they accuse Him of being possessed by the prince of demons.

The reality is just the opposite. Jesus is revealing Himself as the one promised in our First Reading. He is the seed of the woman who has come to crush the head of the demonic serpent. In the parable of the strong man, Jesus reveals that He has come not just to punish the devil but to free those bound by him. As St. Bede explains, "The Lord has also bound the strong man, that is, the devil: which means, He has restrained him from seducing the elect, and entering into his house, the world; He has spoiled his house, and His goods, that is men, because He has snatched them from the snares of the devil, and has united them to His Church."

The scribes blaspheme by attributing this work of the Holy Spirit to demons. Jesus adds a statement that shocks us at first: "whoever blasphemes against the Holy Spirit never has forgiveness." That does not mean that there are any limits to the mercy of God (CCC 1864). Rather, the only sin that cannot be forgiven is the deliberate refusal to accept the mercy offered through the Holy Spirit.

Instead, we must imitate those who sat at Jesus' feet. For, as He said, "Whoever does the will of God is my brother, and sister, and mother."

CALLING ALL GARDENERS

Exciting news for **Corpus Christi!** We have been awarded a Lunenfeld Beautification Grant to spruce up our gardens at Corpus Christi! We'll be ordering some new soil, bushes etc., and borrowing tools from the tool library, but we are in need of some extra hands to assist and a bit of expertise would be welcome too. If you are willing to help in anyway, please call or email Cathy in the office. We will also be participating in the East Side Garden Walk July 20/21!

There are many Mass dates still available in 2024.
Intentions may be for the living, deceased (noted by a
Cross in the bulletin), or a special intention.
The suggested donation is \$15 for a Mass.

Online Giving is Here!

Are you are tired of forgetting your
church envelopes?

We have the solution for you!

Our parish family now has a way to give a
one time gift or set up **recurring** weekly or
monthly donations. Visit our family website

and click Online Giving!

CATHOLIC CHARITIES June is the final month for Appeal 2024! If you haven't yet donated, now is the time. No gift to Appeal 2024 is too small because every dollar makes a difference. In fact, each dollar raised during the annual Appeal leverages an additional \$5 to \$6 of government support and contracts – meaning your gift goes five to six times as far. Truly every dollar counts, because more funding means more services for those in need in our communities. Give HOPE today at ccwny.org/donation or text HOPE4WNY to 44321

A Help Button Should Go Where You Go!

*To be truly independent,
your personal emergency device
needs to work on the go.*

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
