From Fr. Cole Webster

Instead of listing just addresses and phone numbers of the parishes in our family, we have updated the front cover to now include office hours. You will note that on Wednesday's Barb, Noreen, Frank and I will be working at St. Stanislaus. Having everyone together is to aid our prayer life as a staff, improve communication with weekly staff meetings, and begin a slow realignment of job duties. Our initial plan was to centralize staff on Wednesdays at St. John Gualbert. In light of the recent recommendation that SS. Columba-Bridget, St. John Kanty, and St. John Gualbert possibly merge into St. Stanislaus, we have decided to pivot so we can continue to follow our plan of slowly coming together on a weekly basis.

Celebrating St. John Gualbert

Saint John Gaulbert, Abbot - Feast day is July 12th The city of Florence gave to the world Saint John Gaulbert. Although he enjoyed the benefits of an early Christian education, his youthful heart was soon attracted to the vanities of the world. A painful incident was the means God made use of, to open his eyes. Hugo, his only brother, had been murdered and St. John had resolved to avenge his death. On a certain Good Friday he met his enemy in a place where there was no escape for the latter. St. John drew his sword and would have killed his adversary on the spot, but the latter threw himself on his knees begging him by the passion of Jesus Christ to spare his life. St. John was touched at the words, embraced his enemy, entered a church and prayed with many tears for the pardon of his sins.

He now entered the Order of St. Benedict, in which he made such great progress in virtue that after the death of the Abbot, the monks wished to impose this dignity upon him, but the Saint absolutely refused to accept it. Sometime later, he left the monastery with one companion in quest of greater solitude.

Having visited the hermitage of Camaldoli, he finally settled at Valle Ombrosa in Tuscany. Together with two hermits whom he found there, he and his companions built a small monastery, observing the primitive rule of St. Benedict. Thus was laid the foundation of the Order of Vallombrosa. The humility of the saint was such that he would never be promoted, even to Minor Orders. His charity for the poor caused him to make a rule that no indigent person should be sent away without an alms. He founded several monasteries, reformed others, and succeeded in eradicating the vice of simony from the part of the country where he lived. He died on July 12, 1073, at about 80 years of age.

A Blessing and Veneration of the St. John Gualbert Relic will take place after Masses this weekend at St. John Gualbert Church.

CENTERING PRAYER

Join St. Katharine Drexel for prayer each **Friday from 10:00-10:30am**. Rooted in the monastic tradition, centering prayer focuses on self-emptying and the presence and action of God within our lives.

Each gathering begins with a Psalm, a time for silent prayer, and an optional sharing of fruits gained from our time with the Lord.

"Jesus summoned the Twelve and began to send them out two by two and gave them authority over unclean spirits." - Mark 6:7

A Help Button Should Go Where You Go!

*To be truly independent,
your personal emergency device
needs to work on the go.*

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
